

WINDWARD HAWAIIAN DOG FANCIERS ASSOCIATION APRIL 11 & 12, 2026 DOG SHOWS ARE CANCELLED

MESSAGE FROM THE SHOW CHAIR

This is not the message I wanted to convey to everyone today, but probably one most of us were expecting.

Although I am awaiting the decision in writing, I have received a verbal response from Blanche Pope Elementary's Principal advising us that we will not be able to hold our show at their school this weekend. We have contacted a few other locations but the conditions are very similar and not safe.

Due to this storm and for the safety concerns for everyone involved our show this weekend has been cancelled.

I will keep everyone updated as to what our next step will be.

Again, from our show committee we are extremely saddened to make this difficult decision but everyone's safety is our main concern.
