

To all our supporters and fellow exhibitors,

First of all the WHDFA All Breed Club would like to express our appreciation for the overwhelming support that was expressed regarding the cancellation of our show this past weekend. As you all know every effort was made to hold the event that would keep both ourselves and our dogs safe.

The Board of Directors and I met last night to go over our options and we have decided:

1) The shows will not be rescheduled for several reasons. The unstable weather still is with us and we would have to hold the show within the next 10 days from the cancellation date in order to have our current ribbons, judges books, catalogs, etc. valid. Based on the Hawaii show calendar, the unlikelihood of obtaining All Breed judges in such a short time, and several other issues, we have decided to hold our next All Breed show as posted on September 26th and 27th, 2026.

2) After much discussion with our AKC and BaRay counterparts and looking at the expenses that were incurred, we have decided to not refund the entry fees. We are however going to reduce our entry fees by \$10 per entry for our September shows. The new entry fees will be: \$27.00 for entering the show(including NOHS) and \$10.00 for Junior Showmanship.

3) Parking refunds/carryover payments to September will be addressed by Michelle Oki(premium parking) and myself(general parking) for each individual person.

4) Sharon Samson has already reached out to you regarding the pre-payment of the show catalogs.

As you know, the Board and I are always here to support you and your love of showing dogs. We will be having our fun Match on July 12th at Enchanted Lakes Neighborhood Park and would love to see all of you come out and have a great time.
