A MESSAGE FROM THE GSPCA PRESIDENT

Sharon Fitzpatrick

I am thrilled to be attending the GSPCA National Specialty Show in East Peoria in my home state of Illinois this year. The NSS Executive Committee, the Event Committee and many, many volunteers continue the tradition of putting on a class event that we can all be proud of.

There are so many tasks that go on behind the scenes - way in advance of the date of the first event - selecting the site, hiring judges, completing paperwork, contracting with the superintendent, obtaining required equipment, selecting prizes, preparing the premium and catalogue, and taking care of all of the many, many details that go into an event this size. This is true not only for the main event but the Agility trials and regionals that happen in advance.

There are so many people to thank that I won't try to list them here, but my gratitude goes out to each and every volunteer, the judges that take the time to evaluate our dogs in the conformation and the companion events, our sponsors - Purina and Garmin as well as the folks who come from near and far to showcase their dogs. This event wouldn't happen without each of you.

I would like to ask a favor of each of you reading this. As you enjoy your time at our largest attended event, please take a moment to thank some of the people who work so hard to make sure "OUR" National Specialty Show is something really special. These folks pour their hearts and souls into this event trying to make it better each year.

If you run into me - please say hi and share any thoughts and/or suggestions you have for how to make the GSPCA a better organization.

Thank you for being here!

Sharon Fitzpatrick

**The German Shorthaired
Pointer Club of America
dedicates this 2024 National
Specialty Show to the
Memory of:**

Charlie Blackburn

March 24, 1936- Apr. 15, 2022

MARCH 24, 1936 TO APR. 15, 2022

Charlie Blackburn was involved with animals and hunting almost his entire life growing up in Beetown, Wisconsin, graduating from the University of Wisconsin and studied Veterinary Medicine at the University of Minnesota. After graduating from veterinary school, he became a large and small animal veterinarian in Southern Wisconsin, establishing Rock Veterinary Clinic in Janesville, which ran for over 30+ years. Charlie was an avid sports fan with undying devotion to the Badgers, Brewers, Bucks and of course the Packers. His love for the German Shorthaired Pointer was enjoyed with his wife, Lynn, breeding under the kennel name Cebourn on their farm located in Edgerton, Wisconsin. Their breeding success produced two Dual Champions- DC Cebourne's Hotrod Harry and DC AFC Cebourns Erick of Hustleberg, JH, several Field Champions and over 20+ Bench Champions. Lynn even convinced him to walk a GSP into the show ring a few times over the years. Charlie supported Lynn's second passion breeding Wirehaired Dachshunds under the Ragtyme kennel name.

Charlie and Lynn were both long time members and supporters of the Four Lakes German Shorthaired Pointer Club and the German Shorthaired Pointer Club of America (GSPCA) for over 35+ years. His experience in the field led him to become a well sought after AKC Field Trial and Hunt Test Judge, judging numerous National Championships for a variety of pointing breeds.

In 1997 Charlie joined the GSPCA Board of Directors representing the North Central Section for 9 years before taking over the Presidency of the GSPCA in 2007 from 2011. While serving on the Board of Directors, Charlie worked passionately to develop the National Amateur Gun Dog Championship and served on the NAGDC Committee for several years. Charlie was also instrumental in the development of the GSPCA Hall of Fame for People. He supported many events and volunteered his time tirelessly for the clubs, dogs and sports he loved.

OFFICIAL NOTICE: SUBSTITUTION OF JUDGE
GSPCA REGIONAL SPECIALTY - TUESDAY, MAY 14

Reference Chapter 7, Section 8 of AKC Rules. Owner has the right to withdraw his entry and have his entry fee refunded provided notification of his withdrawal is received no later than one half-hour prior to the start of any regular judging..

Karen Rooks Nauer will judge Junior Showmanship in place of Charlene Rutar.

TRANSFER OF ENTRIES

CONFORMATION: Dogs may be transferred from one of the regular classes to the Best of Breed or Variety competition, provided this transfer is presented to the Superintendent at least one half-hour prior to the scheduled start of any regular conformation judging at the show.

JUNIOR SHOWMANSHIP: Junior Handlers who win a third Novice Class with competition, if a win in Novice leads to a Best Junior with competition present it will count as one win towards moving to Open, after closing of entries for a show are required to transfer their entry from the Novice Class to the Open Class by notifying the Superintendent prior to the start of the class at the show. Correction may be made from one age division to another, as well as, move from Master to Open or Open to Novice if a win has been disallowed or the Junior miscalculated number of placements, provided this transfer must be made to the Superintendent prior to the judging of the class at the show.

OBEDIENCE OR RALLY: A transfer (i.e., from an obedience class to an obedience class; or a rally class to a rally class) may be requested if, according to the owner's records the handler and dog are eligible provided the club offers transfers. Transfers from an "A" to "B" class at the same level are allowed provided the host club allows transfers. The request for a transfer must be in writing and presented to the Superintendent or Trial Secretary at least 30 minutes prior to the start of each trial. Clubs may choose to accept transfers prior to the day of the trial and this should be clearly stated in the premium list. Transfers may be approved provided the class and judge are available, and the class has not reached its limit.

OBEDIENCE & RALLY TRIALS

PLEASE NOTE: Refund of entry fees for bitches entered in Obedience who come in season, after closing date of the show, will be a refund of entry paid less \$10.00. This may be obtained by presenting a signed letter of certification to the Show Superintendent no later than 30 minutes prior to the start of judging.

Transfers will be allowed at this trial per AKC Regulations.

GERMAN SHORTHAIRED POINTER AKC BREED STANDARD

General Appearance

The German Shorthaired Pointer is a versatile hunter, an all-purpose gun dog capable of high performance in field and water. The judgement of Shorthairs in the show ring reflects this basic characteristic. The overall picture which is created in the observer's eye is that of an aristocratic, well balanced, symmetrical animal with conformation indicating power, endurance and agility and a look of intelligence and animation. The dog is neither unduly small nor conspicuously large. It gives the impression of medium size, but is like the proper hunter, "with a short back, but standing over plenty of ground." Symmetry and field quality are most essential. A dog in hard and lean field condition is not to be penalized; however, overly fat or poorly muscled dogs are to be penalized. A dog well balanced in all points is preferable to one with outstanding good qualities and defects. Grace of outline, clean-cut head, sloping shoulders, deep chest, powerful back, strong quarters, good bone composition, adequate muscle, well carried tail and taut coat produce a look of nobility and indicate a heritage of purposefully conducted breeding. Further evidence of this heritage is movement which is balanced, alertly coordinated and without wasted motion.

Size, Proportion, Substance

Size--height of dogs, measured at the withers, 23 to 25 inches. Height of bitches, measured at the withers, 21 to 23 inches. Deviations of one inch above or below the described heights are to be severely penalized. Weight of dogs 55 to 70 pounds. Weight of bitches 45 to 60 pounds. Proportion--measuring from the forechest to the rearmost projection of the rump and from the withers to the ground, the Shorthair is permissibly either square or slightly longer than he is tall. Substance--thin and fine bones are by no means desirable in a dog which must possess strength and be able to work over any type of terrain. The main importance is not laid so much on the size of bone, but rather on the bone being in proper proportion to the body. Bone structure too heavy or too light is a fault. Tall and leggy dogs, dogs which are ponderous because of excess substance, doggy bitches, and bitchy dogs are to be faulted.

Head

The head is clean-cut, is neither too light nor too heavy, and is in proper proportion to the body. The eyes are of medium size, full of intelligence and expression, good-humored and yet radiating energy, neither protruding nor sunken. The eye is almond shaped, not circular. The preferred color is dark brown. Light yellow eyes are not desirable and are a fault. Closely set eyes are to be faulted. China or wall eyes are to be disqualified. The ears are broad and set fairly high, lie flat and never hang away from the head. Their placement is just above eye level. The ears when laid in front without being pulled, should extend to the corner of the mouth. In the case of heavier dogs, the ears are correspondingly longer. Ears too long or fleshy are to be faulted. The skull is reasonably broad, arched on the side and slightly round on top. Unlike the Pointer, the median line between the eyes at the forehead is not too deep and the occipital bone is not very conspicuous. The forehead rises gradually from nose to forehead. The rise is more strongly pronounced in the dog than in the bitch. The jaw is powerful and the muscles well developed. The line to the forehead rises gradually and never has a definite stop as that of the Pointer, but rather a stop-effect when viewed from the side, due to the position of the eyebrows. The muzzle is sufficiently long to enable the dog to seize game properly and be able to carry it for a long time. A pointed muzzle is not desirable. The depth is in the right proportion to the length, both in the muzzle and in the skull proper. The length of the muzzle should equal the length of skull. A dish-shaped muzzle is a fault. A definite Pointer stop is a serious fault. Too many wrinkles in the forehead is a fault. The nose is brown, the larger the better, and with nostrils well opened and broad. A spotted nose is not desirable. A flesh colored nose disqualifies. The chops fall away from the somewhat projecting nose. Lips are full and deep yet are never flewy. The teeth are strong and healthy. The molars intermesh properly. The bite is a true scissors bite. A perfect level bite is not desirable and must be penalized. Extreme overshot or undershot disqualifies.

Neck, Topline, Body

The neck is of proper length to permit the jaws reaching game to be retrieved, sloping downwards on beautifully curving lines. The nape is rather muscular, becoming gradually larger toward the shoulders. Moderate throatiness is permitted. The skin is close and tight. The chest in general gives the impression of depth rather than breadth; for all that, it is in correct proportion to the other parts of the body. The chest reaches down to the elbows, the ribs forming the thorax show a rib spring and are not flat or slabsided; they are not perfectly round or barrel-shaped. The back ribs reach well down. The circumference of the thorax immediately behind the elbows is smaller than that of the thorax about a hand's breadth behind elbows, so that the upper arm has room for movement. Tuck-up is apparent. The back is short, strong, and straight with a slight rise from the root of the tail

GERMAN SHORTHAIRED POINTER AKC BREED STANDARD

to the withers. The loin is strong, is of moderate length, and is slightly arched. An excessively long, roached or swayed back must be penalized. The hips are broad with hip sockets wide apart and fall slightly toward the tail in a graceful curve. A steep croup is a fault. The tail is set high and firm, and must be docked, leaving approximately 40% of its length. The tail hangs down when the dog is quiet and is held horizontally when he is walking. The tail must never be curved over the back toward the head when the dog is moving. A tail curved or bent toward the head is to be severely penalized.

Forequarters

The shoulders are sloping, movable, and well covered with muscle. The shoulder blades lie flat and are well laid back nearing a 45 degree angle. The upper arm (the bones between the shoulder and elbow joint) is as long as possible, standing away somewhat from the trunk so that the straight and closely muscled legs, when viewed from the front, appear to be parallel. Elbows which stand away from the body or are too close result in toes turning inwards or outwards and must be faulted. Pasterns are strong, short and nearly vertical with a slight spring. Loose, short-bladed or straight shoulders must be faulted. Knuckling over is to be faulted. Dewclaws on the forelegs may be removed. The feet are compact, close-knit and round to spoon-shaped. The toes are sufficiently arched and heavily nailed. The pads are strong, hard and thick.

Hindquarters

Thighs are strong and well muscled. Stifles are well bent. Hock joints are well angulated and strong with straight bone structure from hock to pad. Angulation of both stifle and hock joint is such as to achieve the optimal balance of drive and traction. Hocks turn neither in nor out. Cowhocked legs are a serious fault.

Coat

The hair is short and thick and feels tough to the hand; it is somewhat longer on the underside of the tail and the back edges of the haunches. The hair is softer, thinner and shorter on the ears and the head. Any dog with long hair in the body coat is to be severely penalized.

Color

The coat may be of solid liver or a combination of liver and white such as liver and white ticked, liver patched and white ticked, or liver roan. A dog with any area of black, red, orange, lemon or tan, or a dog solid white will be disqualified.

Gait

A smooth lithe gait is essential. It is to be noted that as gait increases from the walk to a faster speed, the legs converge beneath the body. The tendency to single track is desirable. The forelegs reach well ahead as if to pull in the ground without giving the appearance of a hackney gait. The hindquarters drive the back legs smoothly and with great power.

Temperament

The Shorthair is friendly, intelligent, and willing to please. The first impression is that of a keen enthusiasm for work without indication of nervous or flighty character.

Disqualifications

China or wall eyes.

Flesh colored nose.

Extreme overshot or undershot.

A dog with any area of black, red, orange, lemon, or tan, or a dog solid white.

Dogs have always been an integral part of my life—first as a breeder-owner-handler of German Shorthaired Pointers for 20 years, then as a professional handler for all breeds for 20 years, and I became a licensed judge in 2007. I participated in Conformation, Obedience, Field Trials, Hunt Tests, Junior Showmanship, Teaching and have a great appreciation for all the AKC performance events.

In early years, my mother Ann Serak and I bred or owned many German Shorthaired Pointer champions, including best in show and specialty winners. Our “Serakraut” GSPs can be found in the pedigrees of numerous successful lines and are pictured in books authored by Anna K. Nicholas, C. Bede Maxwell, David Layton and Georgina Byrne.

In 1982 I married Roland Wilson and we enjoyed a long partnership as AKC Registered Handlers until he sadly passed away in 2005. We finished dogs in all seven groups with multiple national and best in show wins, resulting in a keen interest and the study of all breeds. We both won our first best in shows with German Shorthaired Pointers, and our daughter won a Group First and a Best in Specialty with a home bred GSP when she was 11 years old.

My Dog activities currently being a Member of the GSP Club of America since 1982, Assistant Show Chair of the Renaissance Cluster, Secretary of Wisconsin KC, Dubuque KC & English Cocker Spaniel Club of SE Wisconsin, Chair of Breed Education Committee for the English Cocker Spaniel Club of America.

Growing up in our family, two of the most important events of the year were the GSP National and Wisconsin Specialty. I am truly honored to judge here and thank the membership. Evaluating breeding stock at the national level is most rewarding. I really

love and care about this breed, and the sport, so you can be assured I would do my best.

REGIONAL AND 4 TO 6 MONTH PUPPY JUDGE M S. CHARLENE RUTAR

We bought our first dog from an ad in the newspaper 40 years ago, and I never looked back. By luck and the hand of fate, he was a magnificent dog with an awesome pedigree, which easily led me down the primrose path to hopeless addiction to the sport of showing purebred dogs. I was blessed with an enthusiastic dedicated breeder and many gracious mentors who taught me much; most importantly to never stop asking questions.

My journey with GSPs has been that of a hobby breeder who has to work for a living, founding White River Shorthairs in 1986 breeding fifteen litters so far; producing 50 Champions, 8 Grand Champions and BISS winners, 3 International Champions, 23 Obedience/Rally titles, 30 AKC Hunting titles, 2 Novice Retrieving Dogs; plus CGC titles at multiple levels, Trick Dog, Agility, Fast Cat, Barn Hunt, Farm Dog and many other initials I can't keep up with! I have enjoyed the resources and friendships that come with local breed, all breed and national breed club affiliation. I've served two local GSP Clubs in various capacities and been a GSPCA (parent club) member for 40. I have tried to give back to this breed I love so much by contributing what time and effort I can to judges education, breeder education, the national specialty show, and the bi-monthly breed publication. As a member of the Anderson Kennel Club for 10+ years, I have served as President and am currently Secretary.

I am proud of the experience I have with my dogs in the field and performance ring grateful for the perspective it has given me on the functionality of our breed standard. I have been training and handling my dogs to their Hunt Test titles very nearly as long as I have been breeding them. I've also been on some Iowa pheasant hunting trips and worked several Field Trials to gain appreciation for GSPs doing their thing in the field.

I have been an AKC judge for 12 years, starting as a breeder judge of German Shorthairs, progressing to approval for the Sporting Group, and now 80% of the Non-Sporting Group. In my original breed I have had the extreme honor of judging the National puppy and veteran Sweepstakes, the annual Top 25 Competition, 3 Regional Specialties and local Specialties in every corner of the country. I am honored to be able to say that Brittany, Cocker Spaniel, English Cocker Spaniel, Irish Setter, Gordon Setter, Sussex, Golden Retriever, Vizsla and Weimaraner Clubs have entrusted me with judging their specialty shows as well.

In the “other” part of my life I am Billing Manager for a group practice of Nurse Practitioners providing primary medical care services to homebound patients. I have a BS from Purdue University, an MBA from Xavier. I've been married to the same bird hunter for 47 years. Phil and I maintain and pay taxes on a 60-acre farm in central Indiana for the convenience and pleasure of our Shorthairs.

PEE WEE JUDGE MS. KAREN ROOKS NAUER

I have been involved in the sport of purebred dogs for over fifty years. My mother raised and showed Bedlington Terriers before I was born, and I started showing at a very young age. My father purchased our first GSP in 1963 and I was hooked from that day forward. I earned my first AKC title in 1967 – a Companion Dog (CD) title at the age of 11. I have personally finished many GSP Champions and the majority out of the Bred-By Class.

My family belonged to the GSP Club of America (GSPCA) for several years in the 1960s, and my husband and I joined the GSPCA in 1990. I have been active in the GSPCA for many years and am currently the Vice President. I have attended many GSPCA National

Specialties, and our dogs have received a variety of placements and awards at each NSS.

I believe participation in conformation, performance and companion dog events help maintain happy and healthy dogs. We participate in conformation, agility, hunt tests, rally, and obedience. The quality and health of our breed is critical for our sport and the advancement of purebred dogs.

I am an AKC judge for several Sporting breeds, Dachshunds and Junior Showmanship; I enjoy mentoring

juniors and new participants in our sport.

Karen Rooks Nauer
AKC Judge 7454

NATIONAL SPECIALTY JUDGE MR. JAMES S. COVEY

I became involved in dogs in 1965 as kennel help for an Irish Setter kennel which competed in conformation and performance events. I began showing dogs, primarily Sporting, in approximately 1970.

First approved to judge in 1980 and eventually approved to judge the Sporting Group and Best in Show. Also approved to judge Norwich and Norfolk Terriers. National Specialties, I have judged at least once are Brittanys, Chesapeake Bay Retrievers, Golden Retrievers, Labrador Retrievers, English Setters, Irish Setters, English Cocker Spaniels, Weimaraner's, and Norfolk Terriers. Other breeds I have judged large, supported entries, some in conjunction with Nationals, are Pointers, German Shorthaired Pointers, Curly Coated Retrievers, Golden Retrievers, Gordon Setters, English Springer Spaniels, Vizslas, and Sussex Spaniels.

In the early 1970s, I started a breeding program in English Cocker Spaniels which spanned approximately 25 years, producing many champions and a breeder-handled National Specialty winner, a highlight of my life in dogs. In the early 1980s, we started breeding Norfolk Terriers. We lost our last Norfolk in 2021 and currently have a Veteran English Cocker Spaniel and her grandson as our constant companions.

OBEDIENCE AND RALLY JUDGE MR. FRED BUROFF

My name is Fred Buroff. I started showing Collie, "Patches" obtained his CDX title. After my Border Collie, I then trained a male and female Doberman to Utility. After my Dobermans, I then titled 3 more Border Collies, 1 Golden Retriever, and a male German Shepherd also through Utility. My German Shepherd also obtained his Rally Excellent title. I also recently put a Rally Excellent title, a Beginner Novice Title, CD, and a Graduate Novice Title on an Italian Greyhound. Over the years I have trained 4 Utility dogs, 2 others to a CDX and 2 others to a CD.

I am currently training a Female Briard who I just completed a Beginner Novice and Rally Novice B titles on. Since 1989 I have taught various levels of obedience classes at both Stone City Kennel Club for over 14 years and Obedient Dog Training Club in New Lenox, IL. for over 25 years.

I have been judging all levels of AKC obedience since 1988. I became an AKC Rally judge when AKC started the venue in 2005 and in obedience in 1979 with my male Border.

OBEDIENCE AND RALLY JUDGE MS. LORETTA LAZZARA

In 1970, I took an obedience class with the family pet Pomeranian at the park district. At the class one of the instructors showed Pomeranians. We started talking and, as they say, the rest is history.

After training the Pom, I moved on to a breed more suited for me, the Shetland Sheepdog. Met up with Sheltie people and got into Conformation and breeding. After 4 litters, I decided breeding was not for me, it was more fun going to shows. Started judging matches for my dog training club which I loved, so decided to apply to become an AKC Judge. I now judge all Obedience and Rally classes.

My 10th Sheltie was an owner handled Grand Champion UD, PUTD, PCDX, RM2, RAE2, GN, GO, VER, TKN, TKI. He was also a UKC CH and CD.

My current 2-year-old Sheltie has me also going down the Herding Dog path and loving it. We are both totally hooked on herding ducks. We are also dabbling in Agility, which is fun, and both new venues are challenging learning experiences.

I am an Assistant Director of Training for the Fox Valley Dog Training Club in St. Charles, IL.

I teach a Beginning Open and Utility class and help with monthly Run thrus. I love leaching and getting people interested in Obedience beyond Novice.

Thank you so much for the opportunity and honor to judge your National Specialty.

NATIONAL FUTURITY JUDGE MS. SHELLEY SCHWERDT

Hello, my name is Shelley Schwerdt and I have been involved in the German Shorthaired Pointer breed for 60-plus years. I am a member in good standing with the GSPCA and a lifetime member of the GSPC of Washington.

I grew up in Northern California where my family were avid hunters of upland birds and deer. My father brought home our first GSP in 1959 who was a German import. My family bred both GSPs and English Setters for the sole purpose of hunting.

My husband and I have successfully bred GSPs, (Sageflyer), over the past 30-plus years, focusing on dogs that are competitive in the show ring, able to successfully run in hunt tests/field trials, hunt wild game, and be a loving family companion. We are proud to be the breeders of the first AKC GSP Triple CH, Field Champions, Master, Senior, and Junior Hunt Test titled get, Nationals BOW, and both American and Canadian champions. We currently share our home with two GSPs, 2 Chihuahuas, and the AKC number one Black and Tan Coonhound.

Currently, I serve on the GSPCA Judges Education Committee and was on the committee that worked with the AKC to create the Canine College online course on the GSP. I've enjoyed the opportunity to preserve and protect our amazing breed and to share my knowledge and experience with the GSP with those interested in judging them.

Being asked to judge the Futurity at the 2024 NSS is an honor, thank you GSPCA membership for this incredible opportunity.

NATIONAL SWEEPSTAKES JUDGE MS. GERRY THORNTON

I started my love of showing dogs in 1994 when I purchased my first Rottweiler. The agreement with the breeder was I could have Fancy as long as I showed her. Through dog shows, I became fascinated with the beauty and elegance of my primary breed, Salukis. I also co-owned and co-bred Weimaraner's, GSP's, and Vizslas.

Some of the traits that draw me to sporting breeds are their speed, elegance, athleticism, endurance, and their aristocratic attitude and showmanship. Not to mention they can be very energetic, affectionate, and just downright silly.

I have professionally handled many breeds over the last 27 years. Because of the many successful breeders and clients, I have 35 BIS, 100's of Group 1st, and 30+ BISS to my credit.

There is nothing more magical than being on the end of the lead of a well-constructed sporting dog, that is also a true showman. I am honored to be invited to evaluate your dogs and look forward to experiencing my first GSP National.

Cheers to all!

STUD DOG, BROOD BITCH AND JR SHOWMANSHIP JUDGE MS. CHRISTY DOUGLAS FEATHERSON

Hi, I am Christy Douglas-Featherston. My husband and I are dog lovers, avid hunters and began showing German Shorthaired Pointers in the mid 80's. We bred our first litter in the early 90's and have since bred several Bench Champions, BISS Winners, Top 25 dogs, BIS Winner and Hunting Test Titles.

I began judging Hunting Tests in the mid 90's, hanging up my HT judge's hat after judging the German Wirehaired Pointer Nationals in 2004. I became an AKC conformation judge in the early 2000's. Judging Class Dogs and Juniors at the 2010 GSPCA National Specialty Show in Florida was such a great honor and humbling to say the least. Being asked to judge any breed specialty show is a great honor and judging our beloved breed's National Specialty show is a dream come true. I am so honored and humbled to be judging Juniors, Stud Dog and Brood Bitch this year. Our Junior Handlers are our future breeders. Today's Stud Dogs and Brood Bitches will indicate what our future breeders will have to work with. In 2010, I joined the GSPCA Board of Directors serving as the East Central Director for ten years. I was elected to the position of Vice President for two terms. During the twelve years I served on the B.O.D., I worked on several committees. The committee that I am most proud of was designing and commissioning the GSPCA Bronze Statue of our German Shorthaired Pointer at the National Bird Dog Museum in Grand Junction, TN.

Currently, my husband and I are contemplating retirement and are planning to do some traveling. We enjoy raising production Vegetables and Christmas Trees on our little family farm and watching our four grandchildren grow up in the country. I would like to thank the NSS Executive Committee, the B.O.D. and all the hard-working folks who helped put on this year's NSS. In looking back over time, our NSS seems to get better every year offering more activities and improving on past events. I hope you all enjoy this year's NSS as much as I have always enjoyed. It is our premier show event of the year.

Wishes all Contestants the Best at the 2024 GSPCA National Specialty

AKC Code of Sportsmanship

PREFACE: The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companion. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport.
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.

AKC Code of Sportsmanship

PREFACE: The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companionship. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport.
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.

"Tommy Boy" BISS GCHB CH

NMK's Prosecutor's Closing Argument JH

At two years of age, Tommy Boy continues to make us proud by living up to the generational success of Northwood Mountain Kennel. We're looking forward to our first GSPCA National Specialty as part of the Top 25 Black Tie Competition and Top 10 NOHS Parade. Thank you GSPCA for the invitation and we wish everyone a fun filled time in Peoria.
