TRANSFER OF ENTRIES

CONFORMATION: Dogs may be transferred from one of the regular classes to the Best of Breed or Variety competition, provided this transfer is presented to the Superintendent at least one half-hour prior to the scheduled start of any regular conformation judging at the show.

JUNIOR SHOWMANSHIP: Junior Handlers who win a third Novice Class with competition, if a win in Novice leads to a Best Junior with competition present it will count as one win towards moving to Open, after closing of entries for a show are required to transfer their entry from the Novice Class to the Open Class by notifying the Superintendent prior to the start of the class at the show. Correction may be made from one age division to another, as well as, move from Master to Open or Open to Novice if a win has been disallowed or the Junior miscalculated number of placements, provided this transfer must be made to the Superintendent prior to the judging of the class at the show.

OBEDIENCE OR RALLY: A transfer (i.e., from an obedience class to an obedience class; or a rally class to a rally class) may be requested if, according to the owner’s records the handler and dog are eligible provided the club offers transfers. Transfers from an “A” to “B” class at the same level are allowed provided the host club allows transfers. The request for a transfer must be in writing and presented to the Superintendent or Trial Secretary at least 30 minutes prior to the start of each trial. Clubs may choose to accept transfers prior to the day of the trial and this should be clearly stated in the premium list. Transfers may be approved provided the class and judge are available, and the class has not reached its limit. For Bitches in Season, refer to General Rules in Premium List.

USE OF RAMPS – ALL BREEDS

The following breeds **must be judged on a ramp** through all levels of conformation competition: Lagotto Romagnolo, Clumber Spaniels, English Springer Spaniels, Sussex Spaniels, Basset Hounds, Cirneco dell’Etnas, Kerry Blue Terriers, Bulldogs, Chinese Shar-Pei, Chow Chows, Keeshonden and Spanish Water Dog. Breeds designated as ramp optional may, at the discretion of the judge, be judged on a ramp through all levels of competition. The full policy and list of Table and Ramp eligible/required breeds is available on the AKC website at: https://images.akc.org/pdf/judges/table_breeds.pdf

Ramps can be used to judge any breed in an emergency situation where use of a ramp is not indicated in the premium list; an exhibitor has the option of withdrawing their entry and receiving a refund. For the judging of juniors the ramp may be used at the discretion of the judge for the ramp optional breeds. (01/2026)

AMERICAN
KENNEL CLUB®

AKC® Code of Sportsmanship and Civility

Preface: The tradition of competitive purebred dog events predates 1884—the year the American Kennel Club (AKC®) was founded. Those involved in these sports share core values, including a strong commitment to sportsmanship and a welcoming, respectful culture that embraces the diverse community united by a love of dogs.

These values are evident across all aspects of the sport: conformation, performance, companion, and family dog activities. Many believe that the enduring principles of sportsmanship and civility are key reasons the sport has thrived for over 140 years.

Recognizing that periodically reaffirming our shared values strengthens our community, the revised code will be shared widely to highlight the foundational values and principles that define the sport.

- Sportspeople always place the welfare of their dog above all else.
- Sportspeople prioritize the long-term health and preservation of their breed, making decisions that reflect a deep commitment to responsible breeding and ownership.
- Sportspeople respect the history, traditions and integrity of the sport of purebred dogs.
- Sportspeople conduct themselves in a manner that reflects positively on the sport, the American Kennel Club, and themselves.
- Sportspeople appreciate, encourage and support all who associate with and participate in the sports by fostering an environment where respect, equity, inclusion, and courtesy are foundational.
- Sportspeople understand, uphold and abide by all AKC bylaws, rules, regulations and policies.
- Sportspeople contribute to a positive atmosphere at events by avoiding negative gossip, disparagement, or unsportsmanlike behavior.
- Sportspeople extend their values of civility, fairness, and respect to all digital and social media platforms.
- Sportspeople actively support the education and mentorship of newcomers, helping them learn the rules, values, and traditions of the sport in a respectful way.
- Sportspeople recognize that they are role models in the sport, and strive to lead by example through humility, kindness, and ethical conduct.
- Sportspeople treat fellow exhibitors, judges, officials, volunteers, spectators, and AKC staff with dignity and respect, regardless of experience, background, or differences in opinion.
- Sportspeople are committed to fair play, honesty, courtesy, and competition, approaching both winning and losing with grace.
- Sportspeople understand that strong competition and civility can—and should—coexist. They appreciate the quality of their competitors, and the effort put forth by others.
- Sportspeople uphold their responsibilities to the sport of purebred dogs and refuse to let personal gain or self-interest influence their decisions or behavior.
- The sportsperson judges only on the merits of the dogs and considers no other factors.
- The sportsperson judge or exhibitor accepts constructive criticism.
- The sportsperson exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsperson exhibitor refuses to compromise the impartiality of a judge.
- Sportspeople are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportspeople decline to exploit any positions of authority or recognition for personal advantage.
- Sportspeople appreciate those that have gone before them and realize they are responsible for maintaining and enhancing the sport for future generations.

We Do for Dogs.**
