JUNIOR SHOWMANSHIP: Junior Handlers who win a third Novice Class with competition, if a win in Novice leads to a Best Junior with competition present it will count as one win towards moving to Open, after closing of entries for a show are required to transfer their entry from the Novice Class to the Open Class by notifying the Superintendent prior to the start of the class at the show. Correction may be made from one age division to another, as well as, move from Master to Open or Open to Novice if a win has been disallowed or the Junior miscalculated number of placements, provided this transfer must be made to the Superintendent prior to the judging of the class at the show.

OBEDIENCE OR RALLY: A transfer (i.e., from an obedience class to an obedience class; or a rally class to a rally class) may be requested if, according to the owner's records the handler and dog are eligible provided the club offers transfers. Transfers from an "A" to "B" class at the same level are allowed provided the host club allows transfers. The request for a transfer must be in writing and presented to the Superintendent or Trial Secretary at least 30 minutes prior to the start of each trial. Clubs may choose to accept transfers prior to the day of the trial and this should be clearly stated in the premium list. Transfers may be approved provided the class and judge are available, and the class has not reached its limit. For Bitches in Season, refer to General Rules in Premium List.

BITCHES IN SEASON IN OBEDIENCE AND RALLY – Owner of bitch which goes into season after the show closes, will receive a refund of 50% of that bitch's entry fee. A written statement from owner must be presented to the superintendent thirty minutes prior to the opening of the show/trial.

SCHEDULE OF POINTS FOR THIS EVENT

PEE WEE CLASS SPECIAL ATTRACTION

The Pee Wee Special Attraction is a pre-Junior Showmanship class. The Pee Wee class is geared toward children 5–9 years of age. Children younger than five cannot participate in the Pee Wee Class Special Attraction. The safety of the children is a primary concern.

Each Pee Wee unit consists of the child, his/her parent/guardian/responsible adult, and the dog. Only one Pee Wee unit is in the ring at a time. This is not a competitive class, but rather a fun, learning experience for the child and the adult.

At an All-Breed Event the judge must be an AKC approved All Breed Junior Showmanship Judge. A Group Club or Specialty Club may have a Limited Status Junior Showmanship Judge that meets the criteria.

- A dog must be at least four months of age to enter the Pee Wee class.
- Bitches in season will not be allowed to participate. If pre-entered, a dog may be substituted that meets the eligibility requirements as specified by the club.
- All dogs entered must have the proper lead and collar.
- A responsible adult must be present with the child both inside and outside the ring. The adult is to maintain control of the dog outside of the ring.
- At a Group or Specialty Club Show the dogs must be of the breed(s) eligible for the event.
- At an All-Breed event, all AKC fully recognized and Miscellaneous Class breeds must be allowed to enter, including dogs with a PAL listing.
- At an All-Breed event, it is up to the host club to decide if FSS breeds not in the Miscellaneous Class and All-American dogs are allowed to enter.
- It is up to the host club to decide if a dog must be registered to participate.
- How entries will be accepted is up to the host club. In addition to an entry, a release must be signed by the child's parent or legal guardian. Please contact Event Operations at eventplans@akc.org to request the current version of the Pee Wee Release of Liability.
- The entry fee, if any, shall be specified.
- Clubs may specify a limit on the number of children allowed to enter the class.
- Clubs must submit a summary report to AKC including number of entries and feedback to the Sport Services Department.

The safety of both the dogs and Juniors inside and outside the ring is a primary concern. Outside of the ring, the dog is to be controlled by the adult accompanying the child. An additional lead, provided by the Club, will be at the Judge's table. At the Judge's discretion based upon the size of the child and the dog, for safety purposes the adult may be asked to attach a second lead to the dog so both child and adult will walk the dog together.

Although the word "judge" will be used, this is designed to be a learning and mentoring experience—no Junior will be "judged" but rather will be mentored with the age-appropriate amount of information to help prepare them for what they will be expected to know about AKC regular Junior Showmanship once they reach 9 years of age. Judge will be announced on the Judging Schedule.

USE OF RAMPS – ALL BREEDS

The following breeds **must be judged on a ramp** through all levels of conformation competition: Lagotto Romagnolo, Clumber Spaniels, Sussex Spaniels, Basset Hounds, Cirneco dell'Etna, Kerry Blue Terriers, Bulldogs, Chinese Shar-Pei, Chow Chows, Keeshonden and Spanish Water Dog. Breeds designated as ramp optional may, at the discretion of the judge, be judged on a ramp through all levels of competition. The full policy and list of Table and Ramp eligible/required breeds is available on the AKC website at: https://images.akc.org/pdf/judges/table_breeds.pdf

Ramps can be used to judge any breed in an emergency situation where use of a ramp is not indicated in the premium list; an exhibitor has the option of withdrawing their entry and receiving a refund. For the judging of juniors the ramp may be used at the discretion of the judge for the ramp optional breeds. (06/2025)

AKC Code of Sportsmanship

PREFACE: The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companion. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport.
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.
