EXHIBITORS PLEASE NOTE Effective immediately, AKC's new Unattended Dogs in Vehicles Policy prohibits leaving dogs unattended in vehicles that are fully enclosed or do not have adequate ventilation and airflow. Simply having fans, air conditioning, temperature monitors, remote alerts, or other electronic devices does not, by themselves, make a vehicle safe for an unattended dog. Owners and handlers are responsible for ensuring dogs are kept in conditions that protect them from heat-related illness, distress, injury, or death. Violating this policy is considered conduct prejudicial to the best interests of purebred dogs, the sport of purebred dogs, and the American Kennel Club and may result in disciplinary action under the AKC Charter and Bylaws.
