A New Look at Socializing Puppies

Gayle Watkins is the co-founder of Avidog International, a Gold-level AKC Breeder of Merit and has over 100 titled Golden Retrievers that have excelled in multiple sports. Gayle offers science based, experience tested courses to dog breeders and owners, from around the world across hundreds of breeds, to bring out the best in every dog and puppy.

In this seminar, we will take a new look at socializing our puppies and explore techniques that we can use to bring out the very best in every puppy. We will discuss the following important tasks involved in your dog's first year of socializing:

- When to begin socializing our pups and how long to continue.
- Socialization During the Sensitive Period, From 8 to 16 Weeks.
- How to socialize pups before they have had all vaccines.
- Running titers on our pups to determine their level of protection.
- Learning to read your pup's emotions.
- Socializing during the Coronavirus pandemic.
