SUGGESTED BEST PRACTICES FOR THE WELL-BEING OF DOG SPORT PARTICIPANTS

The AKC supports each club's informed decision to reschedule, postpone or cancel their respective events, as well as supporting clubs ready to hold events in locations that are open and permit gatherings. As events resume across the country, people need to feel safe while enjoying their dog activities. The AKC urges clubs to take appropriate precautions for the benefit of their participants. Events need to be held in a manner that emphasizes the safety of participants and event officials over efficiency.

The following is a list of suggested best practices that may be helpful when planning or attending an event. Event locations, facilities and dates will differ. With a situation that is continually evolving, it is up to the clubs to determine the guidelines that best fit their event. In order to inform participants, specific guidelines established by the club/cluster should be published in the premium, show catalog, club website and posted on signage/flyers at their event.

GENERAL PRACTICES

- Clubs, officials and participants are required to follow state, local and facility guidelines that apply to the area and site where the event is held.
- Practice social distancing consistent with guidelines in effect at the time of the event. Avoid congregating to the extent possible.
- Wash hands as frequently as possible. Have disinfecting spray at bathroom facilities for people to spray door handles (or anything else they touch).
- Avoid shaking hands, hugging, or other physical contact.
- Avoid touching dogs that are not your responsibility.
- Avoid common use pens/pencils bring your own.
- Meals Participants should consider bringing their own lunch/drinks.
- Vendors should follow retail guidelines for the area.
- Parking Park with sufficient distance between vehicles if possible.
 Please bring exact change \$5.00
- Indoor show sites should work with facilities to have as many entrance/exits points open as possible. Hand sanitizer should be available at every entrance to the site and at multiple locations within the site.
- Parking/unloading staff should wear face coverings and sanitize their hands following the assistance of each individual.
- Prepare to be self-sufficient: bring sanitizer, bring a generator for electricity, bring personal use face coverings
- Know the armband numbers for your entries before going to the ring.
 Bring rubber bands or arm- band clips to secure armband.
- Do not congregate at the ring or ring gate.
- While showing your dog, maintain social distances with other exhibitors.
- All classes should be called in catalog order to provide order and efficiency.
- Judges are to have the exhibitor display the oral exam and may personally
 examine the mouth ONLY if absolutely necessary. By the nature of the
 procedure, judges must conduct thumb exams.
- Judges should sanitize hands after examining each entry. Re-examining of dogs should be minimized
- Judges are encouraged to personally pull ribbons for placements.
 Coupled with frequent hand sanitizing, this will help mitigate contact exposure.
- Participants are expected to follow state, local government, facility and event guidelines. Clubs should be prepared to enforce the guidelines that apply to their event. The conformation field reps will assist as always in an advisory capacity.

For a complete list of suggestions from AKC and appropriate suggestions from CDC, please check their website (www.akc.org/sports/conformation/) for the most up-to-date information.
