Only cars (max of 2) affiliated with the RVs parked in the spots will be allowed to park in the same spot in the RV lot. Any cars not affiliated with the RVs in the spots will be asked to move or be towed at the owner's expense.

In case of a medical emergency in the RV lot in the evening or after hours, exhibitors needing medical attention should leave the lights on their RVs allowing the response team to easily identify the appropriate vehicle.

Crates may remain in the attached grooming area but dogs MAY NOT. No gasoline or diesel generators are permitted inside any building or within 100 feet of any tent in which this dog show is conducted.

No exercise pens allowed around the front and back of the Purina Event Center or the grassy area adjacent to the East side of the Gateway Hall. Overall, exercise pens around the perimeter of the entire building are strongly discouraged. Exhibitors indemnify Purina, the affiliated person/s or businesses conducting the event, against any and all claims of arising that may be leveled against them, jointly or severally, in respect to any damage, injury or loss to persons, pets and/or property.

Additionally, The Clubs, their members and Executive Boards, will use due care and diligence for the welfare of dogs and exhibitors; but as such will not be liable for any loss, damage or injury sustained by exhibitors, handlers, or to any of their dogs or property and further assume no responsibility for injury to children. All persons attending these dog shows hereby waive any claim for damages against the Border Collie Society of America or Purina Farms or its members or employees in the event a motor vehicle must be entered to rescue a dog from overheating or suffocation due to improper ventilation.

Inclement Weather In the event a severe weather or tornado warning is issued for the immediate area, Site Security will notify the Purina Farms management team. The team will notify guests, participants and exhibitors of an impending weather event via the public address system and via the storm siren and announcements outside the building. Guests, visitors and exhibitors will be asked to seek cover in designated areas marked as severe weather shelter areas. Designated areas include the center hallway of the Purina Event Center, the inside wall of Gateway Hall and the South stairwell. After the weather event ends, Purina Farms management teams will announce all clear.

If weather is extreme after-hours, then security will unlock the Purina Event Center to allow campers to come into the building with dogs at any time. The service center is also open 24/7 for campers to seek shelter.

Should the weather look threatening, Purina Farms Security will go around the RV lot to notify campers to seek shelter. Security will also visit the outdoor competition areas around the property to let exhibitors know there is a threat.
