TRANSFER OF ENTRIES

CONFORMATION: Dogs may be transferred from one of the regular classes to the Best of Breed or Variety competition, provided this transfer is presented to the Superintendent at least one half-hour prior to the scheduled start of any regular conformation judging at the show.

JUNIOR SHOWMANSHIP: Junior Handlers who win a third Novice Class with competition, if a win in Novice leads to a Best Junior with competition present it will count as one win towards moving to Open, after closing of entries for a show are required to transfer their entry from the Novice Class to the Open Class by notifying the Superintendent prior to the start of the class at the show. Correction may be made from one age division to another, as well as, move from Master to Open or Open to Novice if a win has been disallowed or the Junior miscalculated number of placements, provided this transfer must be made to the Superintendent prior to the judging of the class at the show.

OBEDIENCE OR RALLY: A transfer (i.e., from an obedience class to an obedience class; or a rally class to a rally class) may be requested if, according to the owner's records the handler and dog are eligible provided the club offers transfers. Transfers from an "A" to "B" class at the same level are allowed provided the host club allows transfers. The request for a transfer must be in writing and presented to the Superintendent or Trial Secretary at least 30 minutes prior to the start of each trial. Clubs may choose to accept transfers prior to the day of the trial and this should be clearly stated in the premium list. Transfers may be approved provided the class and judge are available, and the class has not reached its limit. For Bitches in Season, refer to General Rules in Premium List.

The AKC is committed to creating a safe and respectful sport environment for all. If you need to talk to someone, or need help, please call 800-656-HOPE (National Sexual Assault Hotline) or text HOME to 741-741 for free, 24/7, confidential services from trained crisis counselors.

Community exercise pens will be available for your convenience along with Pooper Scoopers and trash containers. Plastic will be provided for use under the crate in your room. Guest rooms will be subject to random inspection by the hotel staff and show committee.

- Do not use hotel towels for dog grooming.

- Dogs must be kept quiet in the hotel rooms and in the grooming area.

Some areas of the hotel are off limits to dogs. These include the front lobby, any areas that serve food and beverages, and any recreation areas including the pool, fitness room and public restrooms.

- Dogs must be exercised in designated areas. There are plenty of grass areas around the hotel. Please pick up after your dog(s). Use appropriate bags for waste and doggie trash and dispose of it in containers provided for waste disposal, not the hotel trash cans.

Any abuse of the grounds will be brought to the attention of the show giving club and its Event Committee. Any exhibitor's entries may be refused for previous misuse of the hotel facilities. This is an AKC supported measure.

Dogs left in unattended vehicles in warm weather can suffer greatly from heat and may even die from heat prostration! All persons attending the dog show hereby waive any claim for damages against the event-giving clubs, their officers, board of directors, members, the hotel and the Show Secretary or their agents in the event a motor vehicle must be entered to rescue a dog from overheating or suffocation due to improper ventilation.
