Show Safety: Responsibility of Exhibitors

**"THE DOG SHOW SHALL BE SUBJECT TO ALL CORONAVIRUS (COVID-19)
PRECAUTIONS SET FORTH BY THE CITY & COUNTY OF HONOLULU"**

Exhibitors are charged with absolute responsibility for the control of their dogs throughout the period the dogs are on the show grounds, including rings, grooming areas and common areas. No delegation of such duty of control given to another shall relieve the Exhibitor of the ultimate responsibility to control his or her dog's behavior. As used herein, "control" shall require of an Exhibitor the taking of such affirmative action and effort as may be necessary to preclude the dog from demonstrating against or evidencing aggressive behavior toward or attacking or biting or threatening to attack or bite, any other Exhibitor, dog, member of the public or Show Official. Exhibitors are particularly cautioned to appreciate that patrons of dog shows, particularly children, whether in the company of an adult or otherwise, are frequently unaware that an innocent touching may erroneously be perceived by the dog as a threat leading to defensive conduct and a loss of control by the Exhibitor. The effort required of an Exhibitor to retain control shall therefore include the need for the giving of preventive warning to all who may approach the dog in a manner that is likely to incite unwanted behavior. The giving of such warning, however, shall not be deemed to release or relieve the Exhibitor from all further duty to keep his or her dog under control at all times. In furtherance of the foregoing and without limitation upon the ultimate responsibility of the Exhibitor for control, dogs shall be kept on leash or crated throughout the Shows. Exhibitors shall promptly and affirmatively respond to all instructions or orders regarding show safety directed or called to the attention of the Exhibitor by a Show Official. No debate or argument with such Show Official shall be permitted. Though it is the intent of these rules to avoid any untoward incident from occurring, the inadequacy of any rule or regulation to accomplish such purpose shall not serve to release or relieve the Exhibitor from the responsibility of control over his or her dog. Exhibitors are charged with full awareness and knowledge of the behavior of their respective dogs and are expected to respond accordingly.

Resolution of Disputes

In the event of a dispute over the meaning or interpretation of any of these rules and regulations or compliance therewith, application shall promptly be made to the Show Chair or to a member of the Event Committee for a hearing of the dispute by the Committee, whose decision shall be final, subject only to appeal to the American Kennel Club in the manner and pursuant to the procedure for appeals allowed by such Club.

AKC Code of Sportsmanship

PREFACE: The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companion. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport.
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.

USE OF RAMPS - ALL BREEDS

A judge requesting the use of a ramp must give notice to the show superintendent/show secretary prior to judging. AKC approval is not required. The entire entry in a breed is to be examined in the same manner (ground, table, or ramp).

At the discretion of the judge, the following breeds may be judged **on the ground or on a ramp** through all levels of competition: Nova Scotia Duck Tolling Retrievers, American Water Spaniels, Boykin Spaniels, English Springer Spaniels, Field Spaniels, Welsh Springer Spaniels, Grand Basset Griffon Vendéen, Whippets, German Pinschers, Portuguese Water Dogs, Standard Schnauzers, American Staffordshire Terriers, Irish Terriers, Soft Coated Wheaten Terriers, Staffordshire Bull Terriers, Finnish Spitz, Australian Cattle Dogs, Entlebucher Mountain Dogs, Finnish Lapphunds, Icelandic Sheepdogs, Norwegian Buhunds, Polish Lowland Sheepdogs, and Basset Fauve de Bretagne, Norrbottenspets (Misc.).

At the discretion of the judge through all levels of competition, the following breeds may be judged on a **ramp or table** through all levels of competition: Mudi, Puli.

At the discretion of the judge through all levels of competition, the following breeds may be judged on the **ground, ramp, or table** through all levels of competition: Miniature Bull Terriers.

The following breeds **must be judged on a ramp** through all levels of conformation competition: Lagotto Romagnolo, Clumber Spaniels, Sussex Spaniels, Basset Hounds, Cirneco dell'Etna, Kerry Blue Terriers, Bulldogs, Chinese Shar-Pei, Chow Chows, Keeshonden and Spanish Water Dogs.

This extends to all conformation competition at AKC conformation dog shows and any AKC event where a conformation title may be earned. This policy includes Group, BIS, Junior Showmanship, the 4-6 Month Beginner Puppy Competition, the AKC National Owner-Handled Series (NOHS), and all other special attractions that offer Group and BIS competitions. Ramps can be used in emergency situation to judge any breed.

In an emergency situation, where use of a ramp is not indicated in the premium list, an exhibitor has the option of withdrawing their entry and receiving a refund. For the judging of juniors the ramp may be used at the discretion of the judge for the ramp optional breeds. (06/2025)
