ADDITIONAL CLASSIFICATION - PUGS - NATIONAL ONLY

NON-REGULAR CLASSES INVOLVING MULTIPLE DOG ENTRIES

As the judge's decision in these classes will be based on the merits of more than one dog, no one of the dogs making up the entry judged first in the class will be eligible to compete for Best of Breed or Best of Opposite Sex to Best of Breed by virtue of having won the class.

Stud Dog Class and Brood Bitch Class: Each entry is allowed two get. The merits of the Stud Dog or Brood Bitch are not considered in the placement of the entry. It is the quality of the get that forms the basis for the judge's decision. All get must be examined and gaited. The Stud Dog or Brood Bitch must also be examined to determine if there is a condition that would require disqualification or excusal under the Rules, AKC policy or the breed standard. All get must be entered in a regular class in order to be eligible to compete in the Stud Dog or Brood Bitch Class. Handlers of the Stud Dog or Brood Bitch, and all get being exhibited, must wear armbands. Ch. 11, Sec. 8 of the "Rules Applying to Dog Shows" provides that "a castrated male may be entered as a Stud Dog in the Stud Dog Class and a spayed bitch may be entered as a Brood Bitch in the Brood Bitch Class."

Brace Class: Two Dogs, performing in unison, and presented by a maximum of two handlers. Both dogs competing in the brace class must have at least one common owner. Dogs do not need to be entered in any other class. Dogs comprising a Brace Class must be named at the time of entry, and full particulars must be given for each dog on individual entry forms. If a dog which is to be part of a Brace is not entered in another class, it must be entered for "Brace Class only." An entry form for a dog entered in another class and entered as part of a Brace must be marked accordingly in the space provided for additional classes as "Brace Class."

Generations Class: Class will not be divided by sex. A class for dogs or bitches to be shown with a son or daughter and a grandson or granddaughter (only one of each generation for a total of three dogs shown - First to Third Generation). Second and Third Generation dogs, to be shown with the First Generation, must be declared with initial entry. Each Entrant must be submitted on an official AKC entry blank with the form below OR if entering online, you MUST mail a list of all dogs in your unit by completing the form below. No entry will be accepted without the registration numbers of their unit members. If either the Second or Third generation dog named in a unit is not entered in the show, the Unit will be rejected. Get MUST be entered in one of the Regular Classes. Owners of the dog or bitch need not be owner(s) of the son/daughter or grandchildren. Award will be based on the merits of the group.

Awards of Merit - At the conclusion of Best of Breed, the judge, at his/her discretion, may choose up to 10%, rounded up, of Best of Breed entry (+Single Entry non-regular classes) for an Award of Merit. Best of Breed, Best of Opposite Sex to Best of Breed, Select Dog/Bitch, and Best of Winners are not eligible to receive an Award of Merit because it is assumed the judge finds them worthy of merit by the virtue of their win.

Best Bred-by Exhibitor, Best Puppy, Best Veteran - Eligibility for Best Bred-by Exhibitor, Best Puppy, Best Veteran competitions is predicated upon entry into the following class(es) and all divisions of:

- Best Bred-By Exhibitor – the Bred-by-Exhibitor class including the Bred-by-Exhibitor Puppy and Bred-by-Exhibitor Adult age divisions
- Best Puppy – any class limited to dogs six months and older and under 12 months of age; Puppy, 6-9 Puppy, 9-12 Puppy, and Bred-by-Exhibitor Puppy
- Best Veteran – any non-regular Veteran Class

For Best Bred-By Exhibitor, the eligibility criteria involving the individual handling the dog applies only to the original class entered and all competition specific to the special attraction (i.e., BBE Groups and BBE BIS). There are no restrictions as to who may handle the dog in any subsequent classes it may become eligible.

NOTE: Best Veteran, Best Puppy or Best Bred By Exhibitor competition will be forgone if the Best of Breed is one of the above..

AMERICAN
KENNEL CLUB

AKC® Code of Sportsmanship and Civility

Preface: The tradition of competitive purebred dog events predates 1884—the year the American Kennel Club (AKC®) was founded. Those involved in these sports share core values, including a strong commitment to sportsmanship and a welcoming, respectful culture that embraces the diverse community united by a love of dogs.

These values are evident across all aspects of the sport: conformation, performance, companion, and family dog activities. Many believe that the enduring principles of sportsmanship and civility are key reasons the sport has thrived for over 140 years.

Recognizing that periodically reaffirming our shared values strengthens our community, the revised code will be shared widely to highlight the foundational values and principles that define the sport.

- Sportspeople always place the welfare of their dog above all else.
- Sportspeople prioritize the long-term health and preservation of their breed, making decisions that reflect a deep commitment to responsible breeding and ownership.
- Sportspeople respect the history, traditions and integrity of the sport of purebred dogs.
- Sportspeople conduct themselves in a manner that reflects positively on the sport, the American Kennel Club, and themselves.
- Sportspeople appreciate, encourage and support all who associate with and participate in the sports by fostering an environment where respect, equity, inclusion, and courtesy are foundational.
- Sportspeople understand, uphold and abide by all AKC bylaws, rules, regulations and policies.
- Sportspeople contribute to a positive atmosphere at events by avoiding negative gossip, disparagement, or unsportsmanlike behavior.
- Sportspeople extend their values of civility, fairness, and respect to all digital and social media platforms.
- Sportspeople actively support the education and mentorship of newcomers, helping them learn the rules, values, and traditions of the sport in a respectful way.
- Sportspeople recognize that they are role models in the sport, and strive to lead by example through humility, kindness, and ethical conduct.
- Sportspeople treat fellow exhibitors, judges, officials, volunteers, spectators, and AKC staff with dignity and respect, regardless of experience, background, or differences in opinion.
- Sportspeople are committed to fair play, honesty, courtesy, and competition, approaching both winning and losing with grace.
- Sportspeople understand that strong competition and civility can—and should—coexist. They appreciate the quality of their competitors, and the effort put forth by others.
- Sportspeople uphold their responsibilities to the sport of purebred dogs and refuse to let personal gain or self-interest influence their decisions or behavior.
- The sportsperson judges only on the merits of the dogs and considers no other factors.
- The sportsperson judge or exhibitor accepts constructive criticism.
- The sportsperson exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsperson exhibitor refuses to compromise the impartiality of a judge.
- Sportspeople are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportspeople decline to exploit any positions of authority or recognition for personal advantage.
- Sportspeople appreciate those that have gone before them and realize they are responsible for maintaining and enhancing the sport for future generations.
