## **AKC NATIONAL OWNER-HANDLED SERIES**

The AKC National Owner-Handled Series is a non-titling competition for dogs that are exhibited by their owners that are not professional handlers. All dogs that are owner-handled and are not owned or exhibited by professional handlers\* meet the requirements for this competition. Exhibitors must declare their dog is Owner-Handled eligible at the time of entry using the check box on the entry form. Eligible dogs will be identified by an asterisk in the judge's book, steward's book & the catalog. **Dogs must be handled by an eligible owner/handler for the AKC NOHS throughout the breed level (all classes, Winners, and Best of Breed) competition. Additionally, dogs must be handled by an eligible owner/handler for all AKC National Owner Handled Series competition (Group and Best in Show). Any person may exhibit the dog in the regular Group and Best in Show competitions**

Owner-Handled Best of Breed will be selected from the dogs that are eligible to compete in the Best of Breed competition including Winners Dog, Winners Bitch and winners of the non-regular classes. No class dogs other than the Winners Dog & Winners Bitch are eligible to return to the ring.

***\*Professional handlers are defined as any person who belongs or has belonged to a professional handlers' organization, distributed rate cards, or otherwise advertised or represented themselves as handling dogs for pay within the last five years.***

***\*\*A current assistant is defined as anyone employed by a professional handler on a full-time basis, or assisting a professional handler at the show or any time during the cluster/weekend. Current assistants that are eligible to compete in Junior Showmanship (meet age & amateur status requirements) may participate in NOHS.***

## JUNIOR SHOWMANSHIP COMPETITION

**NOVICE CLASS:** This shall be for boys and girls who are at least 9 years old and under 18 years old on the day of the show and who at the time entries close have not won three (3) first place awards, with competition present, in a Novice Class. A first place in Novice without competition leading to a Best Junior award with competition would count as one win towards moving to Open at a licensed or member show. Junior Handlers who win a third Novice Class with competition, if a win in Novice leads to a Best Junior with competition present it will count as one win towards moving to Open, after the closing of entries for a show are required to transfer their entry from the Novice Class to the Open Class by notifying the Superintendent or Show Secretary prior to the judging of the class at the show.

**OPEN CLASS:** For boys and girls who are at least 9 years old and under 18 years old on the day of the show, and who have won three first place awards in a Novice Class or if a win in Novice leads to a Best Junior with competition present it will count as one win towards moving to Open in a licensed or member show. Juniors which according to their records have completed the requirements to compete in the Open class but whose status is unconfirmed by the American Kennel Club are limited to competing in the Open Class for a period of 90 days from the date of the show where the Junior completed the requirements according to their records.

**MASTER CLASS:** This class will be for boys and girls who are at least 9 years old and under 18 years on the day of the show, and who have 10 Best Junior wins with competition. The calendar for this class will be consistent with the eligibility dates for the AKC National Championship. All Juniors meeting the criteria for this class are required to enter the Master Class and may change their entry the day of the show if entries have already closed. Once the eligibility time frame for that year has passed all participants return to the Open Class to compete for the following year.

**NOVICE AND OPEN CLASS DIVIDED:** **Junior**-9 years old and under 12 years old on the day of the show; **Intermediate**-12 years old and under 15 years old on the day of the show; **Senior**-15 years old and under 18 years old on the day of the show.

***After the judge has awarded the Best Junior Handler, the second place winner from the class that the Junior was awarded Best Junior Handler is to return to the ring to compete for Reserve Best Junior Handler.***

**NOTICE:** Junior Handlers must include their AKC JUNIOR HANDLER NUMBER on each entry. You may obtain your junior identification number by calling the AKC, Judges Education Department, 919-233-9767. BE SURE ALL INFORMATION for Junior Showmanship Classes is entered on front and back of entry form.

**NOTE: SUBSTITUTION OF DOG IN JUNIOR SHOWMANSHIP AT THE SHOW(S):** There will be an Administration Fee of \$5.00 charged for any substitution of dog in Junior Showmanship at each show. In addition, if the dog originally entered in Jr. Showmanship was an additional entry, and the dog being substituted is not otherwise entered in the show, the Junior Showmanship Only fee applies.

# AKC Code of Sportsmanship

*PREFACE: The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companion. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.*

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport.
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.

## EXHIBITORS PLEASE NOTE

Exhibitors should follow their Veterinarians' recommendation to assure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations.

No dogs that are disqualified for aggression will be allowed to enter these Shows, nor be allowed to be on the grounds. In addition, no aggression reinstatement procedures will be performed at these Shows.

"Dogs found in an unsafe environment, distress or harm's way (for example: left unattended on a grooming table in a noose not attached to a safety release clip; left in a vehicle without proper ventilation) will be removed to safety. Exposing a dog to an unsafe environment, distress or harm's way is considered mistreatment."

### ATTENTION EXHIBITORS OF FOREIGN DOGS

Effective August 1, 2024 the U.S. Centers for Disease Control and Prevention (CDC) is expanding requirements for the importation/entry of foreign dogs into the United States. Requirements include that all dogs must be at least 6 months of age, microchipped, complete new CDC Dog Import forms, and have a valid rabies vaccination or be able to demonstrate residence in a DMRVV (canine rabies)-free or low risk country for the last 6 months.
