NON REGULAR CLASSES INVOLVING SINGLE ENTRIES

Because WINNERS of these classes will compete for Best of Breed, all entrants MUST also meet ALL American Kennel Club requirements for Non-Regular Classes involving single dog entries. The following classes are divided by sex.

VETERAN CLASS: Classes divided, 7-10 years, 10-12 years, 12 years & older. Veteran class entrants at an independent specialty may be altered. All Veterans that are shown will receive a commemorative plate.

RACING CLASS: Must have achieved one of the following titles: ARX, RCH, WRCH, ORC

LURE COURSING CLASS: Must have earned ASFA FCh or AKC FC.

NON-REGULAR CLASSES, INVOLVING MULTIPLE ENTRIES

As the judge's decision in the following classes is based on the merits of more than one dog or bitch, none of the dogs or bitches judged first in these classes will be eligible to compete for Best of Breed by virtue of having won in these classes.

STUD DOG CLASS AND BROOD BITCH CLASS: Each entry is allowed two get. The merits of the Stud Dog or Brood Bitch are not considered in the placement of the entry. It is the quality of the get that forms the basis for the judge's decision. All get must be examined and gaited. The Stud Dog or Brood Bitch must also be examined to determine if there is a condition that would require disqualification or excusal under the Rules, AKC policy or the breed standard. All get must be entered in a regular class in order to be eligible to compete in the Stud Dog or Brood Bitch Class. Handlers of the Stud Dog or Brood Bitch, and all get being exhibited, must wear armbands. Ch. 11, Sec. 8 of the "Rules Applying to Dog Shows" provides that "a castrated male may be entered as a Stud Dog in the Stud Dog Class and a spayed bitch may be entered as a Brood Bitch in the Brood Bitch Class." The Stud Dog or Brood Bitch MUST BE PRESENT IN THE RING.

EXTENDED GENERATIONS STUD DOG CLASS AND BROOD BITCH CLASS: Their Get, one of their Get's Get, and if desired, one of their Get's Get's Get. Class must be comprised of a minimum of three successive generations and a maximum of four successive generations with a total entry of no more than three (3) get. Owner of the Stud Dog need not necessarily be the owner of the Get. The Stud Dog or Brood Bitch and Get MUST BE PRESENT IN THE RING.

BRACE CLASS: Two dogs that are similar in appearance, performing in unison, and presented by a maximum of two handlers. Both dogs competing in Brace competition must have at least one common owner. The Dogs comprising a Brace MUST be named at the time of entry. Entry fee for Brace Class as a UNIT is \$30.00 (\$15.00 per dog). In making entries for "Brace Class Only" full particulars MUST be given for each dog on individual entry forms. An entry form for a dog entered in a Regular Class or for "Best of Breed Competition" and entered as part of a Brace MUST be marked accordingly in the space provided for Additional Classes, "Brace Class." If more than one Brace is entered by same owner, dogs comprising EACH BRACE must be designated as "Brace 1," "Brace 2," etc.

TEAM CLASS: Four of the same recognized breed or variety that are similar in appearance, performing in unison and presented by a maximum of four handlers. All dogs competing in Team competition must have at least one common owner. If more than one Team is entered by the same owner, the dogs comprising each Team must be so designated. "Team 1" "Team 2," etc. Entry fee for Team Class is \$8.00 per dog. (\$32.00 per Unit).

SPECIAL RECOGNITION

AWARD OF MERIT

Often at a National Specialty, the number of quality dogs in competition far exceeds the number of top awards available. The judge must choose only one Best of Breed and one Best of Opposite Sex. An Award of Merit acknowledges that the animal was under consideration for Best of Breed or Best of Opposite Sex. The judge is indicating their recognition of an exceptional animal who could, on another day, merit a top award. The American Whippet Club allows for ten Awards of Merit to be presented in addition to Best of Breed and Best of Opposite Sex. The judge may, at their discretion, award all or none of the Rosettes. Receiving an Award of Merit is indeed a significant honor.

BEST BRED-BY EXHIBITOR, BEST PUPPY & BEST VETERAN: Eligibility for Best Bred-by Exhibitor, Best Puppy, Best Veteran competitions is predicated upon entry into the following class(es) and all divisions of:

- Best Bred-By Exhibitor – the Bred-by-Exhibitor class including the Bred-by-Exhibitor Puppy and Bred-by-Exhibitor Adult age divisions
- Best Puppy – any class limited to dogs six months and older and under 12 months of age; 6-9 Puppy, 9-12 Puppy, and Bred-by-Exhibitor Puppy
- Best Veteran – any non-regular Veteran Class

For Best Bred-By Exhibitor, the eligibility criteria involving the individual handling the dog applies only to the original class entered and all competition specific to the special attraction. There are no restrictions as to who may handle the dog in any subsequent classes it may become eligible.

NOTE: Best Veteran or Best Bred By Exhibitor competition will be forgone if the Best of Breed is one of the above.

WHIPPET RAMP JUDGING

PLEASE NOTE: AKC WHIPPET REVISED RAMP JUDGING – EFFECTIVE MARCH 29, 2023.

Whippets may be judged on the ground or on a ramp. The entire entry is to be examined in the same manner (ground or ramp). This extends to all conformation competition at AKC conformation dog shows and any AKC event where a conformation title may be earned. This policy includes Junior Showmanship and the AKC National Owner-Handled Series (NOHS).

AWC BEST OF BREED JUDGING

Best of Breed judging is done as follows: **On Tuesday**, the secretary will confer with the judge regarding how many she wants in each group to be judged. Then the entries will be posted, in strict catalog order, dogs on one white board and bitches on another, in groups. It is the EXHIBITOR'S RESPONSIBILITY, to check that board and IF you have multiple dogs entered, ensure that they are in separate groups. If you have multiple entries in one group, it is YOUR responsibility to tell the secretary so that they can be shifted into other groups. If you have an entry you know will be absent, please let the secretary know this. You will have most of Tuesday and all day Wednesday, Thursday and Friday to make sure your entries are all in separate groups.

Saturday morning, the judge and stewards will be given lists of each group. When judging starts entries will be called into the ring, one at a time, in strict catalog order, that dog will be checked in, circle the ring and go out (we no longer bring the entire Specials entry into the ring at one time). Once all dogs are checked in, the first group will be called into the ring, and judging will begin. Judge will make her first cuts. After all groups of males are judged, the cuts from those groups will be called in and judge will make her second cut. Depending upon number of specials this may be adjusted, but the judge is working towards her final cut of 12-15 males. When this is completed, the same process will be used to judge the bitches, working toward a final cut which will leave 20 +/- specials, plus WD & WB and any of the non-regular winners who have made the cuts. From this last group the judge will make her choices for: BOB, BOW, BOS, SD, SB and 10 AOMs. Unless BOB is OH eligible, the NOHS BOB will be chosen at this time.

WILLOW AWARD

IT'S TIME TO NOMINATE YOUR THERAPY WHIPPETS FOR THE WILLOW AWARD!

Willow, with her partner Linda Solano, is the only Whippet in history to receive an AKC Award of Canine Excellence. Her work as a therapy dog has inspired countless others and the Willow Award allows us to recognize and celebrate the unsung heroes of the Whippet world: Therapy Whippets who go quietly about making miracles happen. Starting in 2004, a Whippet is honored at the National by receiving the Willow Award, with the recipient's name permanently engraved on an original bronze Perpetual Trophy generously donated by Willow's therapy partner, Linda Solano.

How to submit - Tell the story of a Whippet who is working as a therapy dog in 1000 words or less and submit three photos (one may be a collage). Each paragraph should highlight how your Whippet has connected with the people they visit, and their stories will be on display at the National to inspire others! Past nominees are welcome and encouraged to re-nominate.

The Willow Award

- This award is for therapy Whippets working in all types of visitation facilities; hospitals, schools, nursing homes, libraries, women's shelters, mental health facilities, physical therapy centers, teenage crisis centers and wherever else Whippets are sharing their healing magic with people in need.
- One applicant will be chosen by a panel of judges to receive the Willow Award, and their name will be engraved on the Bronze Perpetual Trophy.

The Willow Hero

- This is to recognize all Whippets who participate as an Emotional Support Dog, Service Dog, or otherwise provide exceptional care for their humans.
- Past winners and committee members can participate.

Submit nominations to the Jot Form on the AWC Specialty Website:
<https://national.americanwhippetclub.org/willow-award/>

All submissions will be displayed during the week of the National and will receive a rosette. The recipient of the Willow Award will be announced at the 2026 AWC National Specialty Awards Banquet on Saturday, April 18, 2026.

AMERICAN
KENNEL CLUB
FOUNDED 1884

AKC® Code of Sportsmanship and Civility

Preface: The tradition of competitive purebred dog events predates 1884—the year the American Kennel Club (AKC®) was founded. Those involved in these sports share core values, including a strong commitment to sportsmanship and a welcoming, respectful culture that embraces the diverse community united by a love of dogs.

These values are evident across all aspects of the sport: conformation, performance, companion, and family dog activities. Many believe that the enduring principles of sportsmanship and civility are key reasons the sport has thrived for over 140 years.

Recognizing that periodically reaffirming our shared values strengthens our community, the revised code will be shared widely to highlight the foundational values and principles that define the sport.

- Sportspeople always place the welfare of their dog above all else.
- Sportspeople prioritize the long-term health and preservation of their breed, making decisions that reflect a deep commitment to responsible breeding and ownership.
- Sportspeople respect the history, traditions and integrity of the sport of purebred dogs.
- Sportspeople conduct themselves in a manner that reflects positively on the sport, the American Kennel Club, and themselves.
- Sportspeople appreciate, encourage and support all who associate with and participate in the sport by fostering an environment where respect, equity, inclusion, and courtesy are foundational.
- Sportspeople understand, uphold and abide by all AKC bylaws, rules, regulations and policies.
- Sportspeople contribute to a positive atmosphere at events by avoiding negative gossip, disparagement, or unsportsmanlike behavior.
- Sportspeople extend their values of civility, fairness, and respect to all digital and social media platforms.
- Sportspeople actively support the education and mentorship of newcomers, helping them learn the rules, values, and traditions of the sport in a respectful way.
- Sportspeople recognize that they are role models in the sport, and strive to lead by example through humility, kindness, and ethical conduct.
- Sportspeople treat fellow exhibitors, judges, officials, volunteers, spectators, and AKC staff with dignity and respect, regardless of experience, background, or differences in opinion.
- Sportspeople are committed to fair play, honesty, courtesy, and competition, approaching both winning and losing with grace.
- Sportspeople understand that strong competition and civility can—and should—coexist. They appreciate the quality of their competitors, and the effort put forth by others.
- Sportspeople uphold their responsibilities to the sport of purebred dogs and refuse to let personal gain or self-interest influence their decisions or behavior.
- The sportsperson judges only on the merits of the dogs and considers no other factors.
- The sportsperson judge or exhibitor accepts constructive criticism.
- The sportsperson exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsperson exhibitor refuses to compromise the impartiality of a judge.
- Sportspeople are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportspeople decline to exploit any positions of authority or recognition for personal advantage.
- Sportspeople appreciate those that have gone before them and realize they are responsible for maintaining and enhancing the sport for future generations.

We Do for Dogs.**
