2. All mastiffs will now be judged in numerical order as per the catalog.
3. The first set of three will enter the ring, one at a time and make an entire circle around the ring and stop at station 1, 2 and 3 after the first time around the ring.
4. The judges will be at three set stations in the ring for the hands-on examination. The mastiffs will move counterclockwise until all three judges have examined all three dogs. Each round of judging should be limited to three minutes a dog in total. Dogs will not be moved individually by a judge during hands on examination.
5. Judges complete the score sheet after each individual exam. The Score sheet will be handed over to the Tournament chairperson or designee.
6. When each dog in the trio has been examined by each judge, the dogs will be moved individually on a diagonal down and back. Finally, as a group they will be moved once around the ring and then exit.
7. Final scoring of the group is completed, judges will review the score sheet to be sure all areas are scored and hand them in.
8. Once scoring is completed the dogs are excused and need not remain for any additional judging.
9. The second group of three mastiffs enters the ring. This continues until all mastiffs have been examined.
10. The score sheets will be tallied.
11. The top ten qualifying mastiff scores will be announced the next day after the scores are double checked. The top ten mastiffs will be presented at an evening event as a highlight presentation with no further judging planned.
12. Tournament Winners will be announced at the awards banquet and the score sheets will be mailed after the national specialty.

MCOA BREEDERS' CUP

ENTRY FEE: \$39.00 per unit of three (\$13.00 per dog)

ENTRIES CLOSE: Wednesday, April 29, 2026 at 12:00PM PDT, at BaRay Event's Office

JUDGES: Dick Greaver - Marty Hancock - Valerie Thomas

The MCOA Breeders' Cup Competition is open to MCOA members only. The Breeder's Cup will be held before the actual judging of the Specialty classes. In this competition each entry consists of a trio of dogs bred by the same breeder or co-breeder. Each trio is to be judged by a three-judge panel of experts on the breed using a point system based on the Mastiff Standard.

RESULTS WILL BE KEPT CONFIDENTIAL UNTIL THE AWARDS BANQUET.

Purpose: In the Breeder's Cup Competition, the breeder or co-breeder is making a statement about his/her breeding program based on a group of three dogs.

- How consistent is the trio in the areas of overall impression, head, structure, movement, presence, and consistency in breed type?
- How closely does the trio adhere to the Mastiff Standard?

Entry in the MCOA Breeder's Cup Competition is open to MCOA members and Associate members in good standing only. *

**In Good Standing - members and associate members that are not in a suspended status with AKC or MCOA.*

Breeder's Cup is a non-regular class per AKC and therefore the following may apply: A breeder/co-breeder may change a dog/bitch in the trio if there is a conflict with one of the dogs entered prior to judging, provided the animal replaced is bred by the same breeder/co-breeder.

Notify Breeder's Cup Coordinator or Chief Ring Steward if there is a handling conflict and the trio needs to be moved at least 2 hours ahead of the scheduled judging time so the trios can be adjusted. Notify Breeder's Cup Coordinator or Chief Ring Steward if the Trio is absent.

BREEDER'S CUP PROCEDURE

1. The total Breeder's Cup entry will not be brought into the ring together.
2. In numerical order, the first trio of mastiffs will enter the ring.
3. Each judge will take a mastiff in trio for the hands-on exam.
4. The scoring is based on the presentation of the trio as a whole.
5. The judges will work through the trio until each judge has completed the hands-on examination of each dog.
6. The trio will move center to of the ring in a line and stack fronts first, then rears.
7. Then they will be individually gaited down and back and restacked. Once all three have gaited, the trio will move once around the ring and out. Judges will complete the scoring and hand in the score sheet.
8. Once the trio has been judged they are excused and do not need to return to the ring.
9. Judging will continue in this manner until all groups are judged.
10. Score sheets are then turned over to the designated Statistician for final tabulation.
11. The top five winners will be announced at Awards Banquet.
12. Copies of the individual results for all entrants will be mailed after the national specialty so all winners receive their sheets.
