Show Safety: Responsibility of Exhibitors

PRECAUTIONS SET FORTH BY THE CITY & COUNTY OF HONOLULU.

Exhibitors are charged with absolute responsibility for the control of their dogs throughout the period the dogs are on the show grounds, including rings, grooming areas and common areas. No delegation of such duty of control given to another shall relieve the Exhibitor of the ultimate responsibility to control his or her dog's behavior. As used herein, "control" shall require of an Exhibitor the taking of such affirmative action and effort as may be necessary to preclude the dog from demonstrating against or evidencing aggressive behavior toward or attacking or biting or threatening to attack or bite, any other Exhibitor, dog, member of the public or Show Official. Exhibitors are particularly cautioned to appreciate that patrons of dog shows, particularly children, whether in the company of an adult or otherwise, are frequently unaware that an innocent touching may erroneously be perceived by the dog as a threat leading to defensive conduct and a loss of control by the Exhibitor. The effort required of an Exhibitor to retain control shall therefore include the need for the giving of preventive warning to all who may approach the dog in a manner that is likely to incite unwanted behavior. The giving of such warning, however, shall not be deemed to release or relieve the Exhibitor from all further duty to keep his or her dog under control at all times. In furtherance of the foregoing and without limitation upon the ultimate responsibility of the Exhibitor for control, dogs shall be kept on leash or crated throughout the Shows. Exhibitors shall promptly and affirmatively respond to all instructions or orders regarding show safety directed or called to the attention of the Exhibitor by a Show Official. No debate or argument with such Show Official shall be permitted. Though it is the intent of these rules to avoid any untoward incident from occurring, the inadequacy of any rule or regulation to accomplish such purpose shall not serve to release or relieve the Exhibitor from the responsibility of control over his or her dog. Exhibitors are charged with full awareness and knowledge of the behavior of their respective dogs and are expected to respond accordingly.

Resolution of Disputes

In the event of a dispute over the meaning or interpretation of any of these rules and regulations or compliance therewith, application shall promptly be made to the Show Chair or to a member of the Event Committee for a hearing of the dispute by the Committee, whose decision shall be final, subject only to appeal to the American Kennel Club in the manner and pursuant to the procedure for appeals allowed by such Club.
