ADDITIONAL CLASSIFICATION - PUGS - NATIONAL ONLY

NON-REGULAR CLASSES INVOLVING MULTIPLE DOG ENTRIES

As the judge's decision in these classes will be based on the merits of more than one dog, no one of the dogs making up the entry judged first in the class will be eligible to compete for Best of Breed or Best of Opposite Sex to Best of Breed by virtue of having won the class.

Stud Dog Class and Brood Bitch Class: Each entry is allowed two get. The merits of the Stud Dog or Brood Bitch are not considered in the placement of the entry. It is the quality of the get that forms the basis for the judge's decision. All get must be examined and gaited. The Stud Dog or Brood Bitch must also be examined to determine if there is a condition that would require disqualification or excusal under the Rules, AKC policy or the breed standard. All get must be entered in a regular class in order to be eligible to compete in the Stud Dog or Brood Bitch Class. Handlers of the Stud Dog or Brood Bitch, and all get being exhibited, must wear armbands. Brace Class: Two Dogs, performing in unison, and presented by a maximum of two handlers. Both dogs competing in the brace class must have at least one common owner. Dogs do not need to be entered in any other class. Dogs comprising a Brace Class must be named at the time of entry, and full particulars must be given for each dog on individual entry forms. If a dog which is to be part of a Brace is not entered in another class, it must be entered for "Brace Class only." An entry form for a dog entered in another class and entered as part of a Brace must be marked accordingly in the space provided for additional classes as "Brace Class."

Generations Class: Class will not be divided by sex. A class for dogs or bitches to be shown with a son or daughter and a grandson or granddaughter (only one of each generation for a total of three dogs shown - First to Third Generation). Second and Third Generation dogs, to be shown with the First Generation, must be declared with initial entry. Each Entrant must be submitted on an official AKC entry blank with the form below OR if entering online, you MUST mail a list of all dogs in your unit by completing the form below. No entry will be accepted without the registration numbers of their unit members. If either the Second or Third generation dog named in a unit is not entered in the show, the Unit will be rejected. Get MUST be entered in one of the Regular Classes. Owners of the dog or bitch need not be owner(s) of the son/daughter or grandchildren. Award will be based on the merits of the group.

- All entrants are to be vaccinated (including rabies) in accordance with their veterinarian's protocol.
- Professional handlers, members of their household and current assistants to professional handlers may personally exhibit a dog they own as "Exhibition Only" in the Four-to-Six Month (Beginner Puppy) Competition. Entries must be marked "Exhibition Only" prior to the close of entries. Exhibition-only entrants will participate in the same BPUP classes as regular entries. Judges will evaluate exhibition-only entrants in the same manner as regular entrants but will not consider them for awards. All Exhibition BPUP entries will receive an armband/catalog number starting with a capital "E."
- To be competitive, dogs that are owned or co-owned by a professional handler may compete in this class, but must be handled by a non-professional handler. Professional handlers are defined as any person who belongs or has belonged to a professional handlers' organization, distributed rate cards, or otherwise advertised or represented themselves as handling dogs for pay within the last five years. Dogs may not be exhibited by current assistants or household members of a professional handler. A current assistant is defined as anyone employed by a professional handler on a full-time basis, or, assisting a professional handler at the show or any show during the cluster/weekend. Minors (under 18) with amateur status who reside with professional handlers and current assistants to professional handlers that are eligible to compete in Junior Showmanship (meet age and amateur status requirements) may personally exhibit dogs in the Four-to-Six Month (Beginner Puppy) Competition.

SPECIAL RECOGNITION - ALL EVENTS

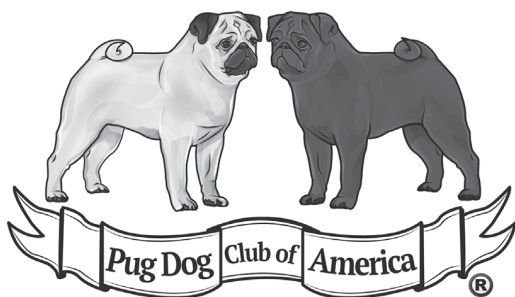

Awards of Merit - At the conclusion of Best of Breed, the judge, at his/her discretion, may choose up to 10%, rounded up, of Best of Breed entry (+Single Entry non-regular classes) for an Award of Merit. Best of Breed, Best of Opposite Sex to Best of Breed, Select Dog/Bitch, and Best of Winners are not eligible to receive an Award of Merit because it is assumed the judge finds them worthy of merit by the virtue of their win.

Best Bred-by Exhibitor, Best Puppy, Best Veteran - Eligibility for Best Bred-by Exhibitor, Best Puppy, Best Veteran competitions is predicated upon entry into the following class(es) and all divisions of:

- Best Bred-By Exhibitor – the Bred-by-Exhibitor classes (Adult & Puppy).
- Best Puppy – any class limited to dogs six months and older and under 12 months of age; 6-9 Puppy, 9-12 Puppy. The Bred By Exhibitor Puppy is excluded from this class.
- Best Veteran – winners of the sex-appropriate non-regular Veteran Class.

For Best Bred-By Exhibitor, the eligibility criteria involving the individual handling the dog applies only to the original class entered and all competition specific to the special attraction (i.e., BBE Groups and BBE BIS). There are no restrictions as to who may handle the dog in any subsequent classes it may become eligible.

NOTE: Best Veteran, Best Puppy or Best Bred By Exhibitor competition will be forgone if the Best of Breed is one of the above.

Mission Statement

The Pug Dog Club of America (PDCA) and PDCA membership serves as preservation defenders of the ancient pug breed and stewards of the pug standard for all AKC registered pugs in the United States. The purebred pug breed is preserved by providing and supporting pug breed education to pug owners, breeders, breed mentors and AKC judges. The Club and Membership strive to improve and maintain pug health, to recognize, understand and apply the pug standard during evaluation and to celebrate the loving and curious temperament of the breed. We want our pugs to happily compete with wellness and health in conformation, companion, and performance events, to lovingly support therapy and assistance programs, and to succeed as loyal family companions. The PDCA supports humane genetic canine research and helps fund research projects for those conditions that may affect the pug breed. (3/2023)
