## AKC SANCTIONED 4-6 MONTHS PUPPY

---

**Entries will close Wednesday Noon, August 20, 2025 at Superintendent's office.**

The Four-to-Six Month Puppy competition shall be for dogs that are four months of age and over but under six months on the day of the event. Classes will be offered for breeds and varieties and divided into Groups as described in Chapter 3, Section 1 of the Rules Applying to Dog Shows and the Miscellaneous Class breeds as listed in Chapter 3, Section 23. The Miscellaneous class competition will be the equivalent of Group competition and the winner will be eligible to compete in Best Four-to-Six Month Puppy in Show. The FSS competition will be the equivalent of Group competition and the winner will be eligible to compete in Best Four-to-Six Month Puppy in Show.

Entry and eligibility requirements include:

- AKC registration number or an AKC litter number will be required for entries of an AKC recognized breed as listed in Chapter 3, Section 1 of the Rules Applying to Dog Shows.
- A foreign born dog may enter this class if it is registered in the country of origin.
- All entrants are to be vaccinated (including rabies) in accordance with their veterinarian's protocol.
- Professional handlers, members of their household and current assistants to professional handlers may personally exhibit a dog they own as "Exhibition Only" in the Four-to-Six Month (Beginner Puppy) Competition. Entries must be marked "Exhibition Only" prior to the close of entries. Exhibition-only entrants will participate in the same BPUP classes as regular entries. Judges will evaluate exhibition-only entrants in the same manner as regular entrants but will not consider them for awards. All Exhibition BPUP entries will receive an armband/catalog number starting with a capital "E."
- To be competitive, dogs that are owned or co-owned by a professional handler may compete in this class, but must be handled by a non-professional handler. Professional handlers are defined as any person who belongs or has belonged to a professional handlers' organization, distributed rate cards, or otherwise advertised or represented themselves as handling dogs for pay within the last five years. Dogs may not be exhibited by current assistants or household members of a professional handler. A current assistant is defined as anyone employed by a professional handler on a full-time basis, or, assisting a professional handler at the show or any show during the weekend. Minors (under 18) with amateur status who reside with professional handlers and current assistants to professional handlers that are eligible to compete in Junior Showmanship (meet age and amateur status requirements) may personally exhibit dogs in the Four-to-Six Month (Beginner Puppy) Competition.
