AKC Code of Sportsmanship

PREFACE: The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companion. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.

AKC NATIONAL OWNER-HANDLED SERIES

The purpose of the AKC National Owner-Handled Series (NOHS) is to recognize and showcase the quality dogs being exhibited by owner/handlers and to provide a venue for the owner/handlers to compete against their peers. The determination of the awards in the AKC National Owner-Handled Series is based solely on the quality of the entry. The owner/handler's handling ability is not of consideration.

- Dog must be marked as eligible to compete in the AKC NOHS prior to the closing of entries. There is no additional fee to enter this competition.
- Dogs must be handled by an eligible owner/handler for the AKC NOHS throughout the breed level (all classes, Winners, and Best of Breed) competition.
- Exhibitors must declare their dog AKC National Owner-Handled Series eligible at the time of entry using the check box on the entry form. The handler must be an owner of record according to the AKC's records as of the date of the show. Dogs declared eligible will be identified by an asterisk or other representative mark in the judge's book, steward's book, and the show catalog.
- *Professional handlers, household members and current assistants to professional handlers may not exhibit.
- The Owner-Handled Best of Breed will be selected from the eligible dogs that competed in the Best of Breed/Variety competition for the regular show. This includes Winners Dog, Winners Bitch, and the undefeated winners of the non-regular classes. This excludes all dogs defeated during class and winners competition for the regular show.

****A current assistant is defined as anyone employed by a professional handler on a full-time basis, or assisting a professional handler at the show or any time during the cluster/weekend. Current assistants that are eligible to compete in Junior Showmanship (meet age & amateur status requirements) may participate in NOHS.***
