USE OF RAMPS – ALL BREEDS

The following breeds **must be judged on a ramp** through all levels of conformation competition: Lagotto Romagnolo, Clumber Spaniels, English Springer Spaniels, Sussex Spaniels, Basset Hounds, Cirneco dell'Etnas, Kerry Blue Terriers, Bulldogs, Chinese Shar-Pei, Chow Chows, Keeshonden and Spanish Water Dog, Soft Coated Wheaten Terriers. Breeds designated as ramp optional may, at the discretion of the judge, be judged on a ramp through all levels of competition. The full policy and list of Table and Ramp eligible/required breeds is available on the AKC website at: *https://images.akc.org/pdf/judges/table_breeds.pdf*

Ramps can be used to judge any breed in an emergency situation where use of a ramp is not indicated in the premium list; an exhibitor has the option of withdrawing their entry and receiving a refund. For the judging of juniors the ramp may be used at the discretion of the judge for the ramp optional breeds. (08/2026)

4-6 MONTH BEGINNER PUPPY

Entries will close Wednesday Noon, September 9, 2026 at Superintendent's office.

The Four-to-Six Month Puppy competition shall be for dogs that are four months of age and over but under six months on the day of the event. Classes will be offered for breeds and varieties and divided into Groups as described in Chapter 3, Section 1 of the Rules Applying to Dog Shows and the Miscellaneous Class breeds as listed in Chapter 3, Section 23. The Miscellaneous class competition will be the equivalent of Group competition and the winner will be eligible to compete in Best Four-to-Six Month Puppy in Show. The FSS competition will be the equivalent of Group competition and the winner will be eligible to compete in Best Four-to-Six Month Puppy in Show.

Entry and Eligibility

Entry and eligibility requirements include:

- AKC registration number or an AKC litter number will be required for entries of an AKC recognized breed as listed in Chapter 3, Section 1 of the Rules Applying to Dog Shows.
- A foreign born dog may enter this class if it is registered in the country of origin.
- FSS number or FSS registered litter number will be required for Miscellaneous and FSS breed entries.
- All entrants are to be vaccinated (including rabies) in accordance with their veterinarian's protocol.
- Professional handlers, members of their household and current assistants to professional handlers may personally exhibit a dog they own as "Exhibition Only" in the Four-to-Six Month (Beginner Puppy) Competition. Entries must be marked "Exhibition Only" prior to the close of entries. Exhibition-only entrants will participate in the same BPUP classes as regular entries. Judges will evaluate exhibition-only entrants in the same manner as regular entrants but will not consider them for awards. All Exhibition BPUP entries will receive an armband/catalog number starting with a capital "E."
- To be competitive, dogs that are owned or co-owned by a professional handler may compete in this class, but must be handled by a non-professional handler. Professional handlers are defined as any person who belongs or has belonged to a professional handlers' organization, distributed rate cards, or otherwise advertised or represented themselves as handling dogs for pay within the last five years. Dogs may not be exhibited by current assistants or household members of a professional handler. A current assistant is defined as anyone employed by a professional handler on a full-time basis, or, assisting a professional handler at the show or any show during the cluster/weekend. Minors (under 18) with amateur status who reside with professional handlers and current assistants to professional handlers that are eligible to compete in Junior Showmanship (meet age and amateur status requirements) may personally exhibit dogs in the Four-to-Six Month (Beginner Puppy) Competition.

JUNIOR SHOWMANSHIP COMPETITION

NOVICE CLASS: This shall be for boys and girls who are at least 9 years old and under 18 years old on the day of the show and who at the time entries close have not won three (3) first place awards, with competition present, in a Novice Class. A first place in Novice without competition leading to a Best Junior award with competition would count as one win towards moving to Open at a licensed or member show. Junior Handlers who win a third Novice Class with competition, if a win in Novice leads to a Best Junior with competition present it will count as one win towards moving to Open, after the closing of entries for a show are required to transfer their entry from the Novice Class to the Open Class by notifying the Superintendent or Show Secretary prior to the judging of the class at the show.

OPEN CLASS: For boys and girls who are at least 9 years old and under 18 years old on the day of the show, and who have won three first place awards in a Novice Class or if a win in Novice leads to a Best Junior with competition present it will count as one win towards moving to Open in a licensed or member show. Juniors which according to their records have completed the requirements to compete in the Open class but whose status is unconfirmed by the American Kennel Club are limited to competing in the Open Class for a period of 90 days from the date of the show where the Junior completed the requirements according to their records.

MASTER CLASS: This class will be for boys and girls who are at least 9 years old and under 18 years on the day of the show, and who have 10 Best Junior wins with competition. The calendar for this class will be consistent with the eligibility dates for the AKC National Championship. All Juniors meeting the criteria for this class are required to enter the Master Class and may change their entry the day of the show if entries have already closed. Once the eligibility time frame for that year has passed all participants return to the Open Class to compete for the following year.

NOVICE AND OPEN CLASS DIVIDED: **Junior**-9 years old and under 12 years old on the day of the show; **Intermediate**-12 years old and under 15 years old on the day of the show; **Senior**-15 years old and under 18 years old on the day of the show.

After the judge has awarded the Best Junior Handler, the second place winner from the class that the Junior was awarded Best Junior Handler is to return to the ring to compete for Reserve Best Junior Handler.

NOTICE: Junior Handlers must include their AKC JUNIOR HANDLER NUMBER on each entry. You may obtain your junior identification number by calling the AKC, Judges Education Department, 919-233-9767. BE SURE ALL INFORMATION for Junior Showmanship Classes is entered on front and back of entry form.

NOTE: SUBSTITUTION OF DOG IN JUNIOR SHOWMANSHIP AT THE SHOW(S): There will be an Administration Fee of $5.00 charged for any substitution of dog in Junior Showmanship at each show. In addition, if the dog originally entered in Jr. Showmanship was an additional entry, and the dog being substituted is not otherwise entered in the show, the Junior Showmanship Only fee applies.

The AKC is committed to creating a safe and respectful sport environment for all. If you need to talk to someone, or need help, please call 800.656.HOPE (National Sexual Assault Hotline) or text HOME to 741-741 for free, 24/7, confidential services from trained crisis counselors.

AMERICAN KENNEL CLUB®

AKC® Code of Sportsmanship and Civility

Preface: The tradition of competitive purebred dog events predates 1884—the year the American Kennel Club (AKC®) was founded. Those involved in these sports share core values, including a strong commitment to sportsmanship and a welcoming, respectful culture that embraces the diverse community united by a love of dogs.

These values are evident across all aspects of the sport: conformation, performance, companion, and family dog activities. Many believe that the enduring principles of sportsmanship and civility are key reasons the sport has thrived for over 140 years.

Recognizing that periodically reaffirming our shared values strengthens our community, the revised code will be shared widely to highlight the foundational values and principles that define the sport.

- Sportspeople always place the welfare of their dog above all else.
- Sportspeople prioritize the long-term health and preservation of their breed, making decisions that reflect a deep commitment to responsible breeding and ownership.
- Sportspeople respect the history, traditions and integrity of the sport of purebred dogs.
- Sportspeople conduct themselves in a manner that reflects positively on the sport, the American Kennel Club, and themselves.
- Sportspeople appreciate, encourage and support all who associate with and participate in the sports by fostering an environment where respect, equity, inclusion, and courtesy are foundational.
- Sportspeople understand, uphold and abide by all AKC bylaws, rules, regulations and policies.
- Sportspeople contribute to a positive atmosphere at events by avoiding negative gossip, disparagement, or unsportsmanlike behavior.
- Sportspeople extend their values of civility, fairness, and respect to all digital and social media platforms.
- Sportspeople actively support the education and mentorship of newcomers, helping them learn the rules, values, and traditions of the sport in a respectful way.
- Sportspeople recognize that they are role models in the sport, and strive to lead by example through humility, kindness, and ethical conduct.
- Sportspeople treat fellow exhibitors, judges, officials, volunteers, spectators, and AKC staff with dignity and respect, regardless of experience, background, or differences in opinion.
- Sportspeople are committed to fair play, honesty, courtesy, and competition, approaching both winning and losing with grace.
- Sportspeople understand that strong competition and civility can—and should—coexist. They appreciate the quality of their competitors, and the effort put forth by others.
- Sportspeople uphold their responsibilities to the sport of purebred dogs and refuse to let personal gain or self-interest influence their decisions or behavior.
- The sportsperson judges only on the merits of the dogs and considers no other factors.
- The sportsperson judge or exhibitor accepts constructive criticism.
- The sportsperson exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsperson exhibitor refuses to compromise the impartiality of a judge.
- Sportspeople are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportspeople decline to exploit any positions of authority or recognition for personal advantage.
- Sportspeople appreciate those that have gone before them and realize they are responsible for maintaining and enhancing the sport for future generations.

Everything We Do, We Do for Dogs.
