SUGGESTED BEST PRACTICES FOR THE WELL-BEING OF DOG SPORT PARTICIPANTS

The AKC supports each club's informed decision to reschedule, postpone or cancel their respective events, as well as supporting clubs ready to hold events in locations that are open and permit gatherings. As events resume across the country, people need to feel safe while enjoying their dog activities. The AKC urges clubs to take appropriate precautions for the benefit of their participants. Events need to be held in a manner that emphasizes the safety of participants and event officials over efficiency.

The following is a list of suggested best practices that may be helpful when planning or attending an event. Event locations, facilities and dates will differ. With a situation that is continually evolving, it is up to the clubs to determine the guidelines that best fit their event. In order to inform participants, specific guidelines established by the club/cluster should be published in the premium, show catalog, club website and posted on signage/flyers at their event.

GENERAL PRACTICES

- Clubs, officials and participants are required to follow state, local and facility guidelines that apply to the area and site where the event is held.
- Practice social distancing consistent with guidelines in effect at the time of the event. Avoid congregating to the extent possible.
- Wash hands as frequently as possible. Have disinfecting spray at bathroom facilities for people to spray door handles (or anything else they touch).
- Avoid shaking hands, hugging, or other physical contact.
- Avoid touching dogs that are not your responsibility.
- Avoid common use pens/pencils – bring your own.
- Meals - Participants should consider bringing their own lunch/drinks.
- Vendors should follow retail guidelines for the area.
- Parking – Park with sufficient distance between vehicles if possible. If there is a parking fee, please bring exact change.
- Indoor show sites should work with facilities to have as many entrance/exits points open as possible. Hand sanitizer should be available at every entrance to the site and at multiple locations within the site.
- Parking/unloading staff should wear face coverings and sanitize their hands following the assistance of each individual.
- Prepare to be self-sufficient: bring sanitizer, bring a generator for electricity, bring personal use face coverings.
- Know the armband numbers for your entries before going to the ring. Bring rubber bands or armband clips to secure armband.
- Do not congregate at the ring or ring gate.
- While showing your dog, maintain social distances with other exhibitors.
- All classes should be called in catalog order to provide order and efficiency.
- Judges are to have the exhibitor display the oral exam and may personally examine the mouth ONLY if absolutely necessary. By the nature of the procedure, judges must conduct thumb exams.
- Judges should sanitize hands after examining each entry. Re-examining of dogs should be minimized.
- Judges are encouraged to personally pull ribbons for placements. Coupled with frequent hand sanitizing, this will help mitigate contact exposure.
- Participants are expected to follow state, local government, facility and event guidelines. Clubs should be prepared to enforce the guidelines that apply to their event. The conformation field reps will assist as always in an advisory capacity.

For a complete list of suggestions from AKC and appropriate suggestions from CED, please check their website (www.akc.org/sports/conformation/) for the most up-to-date information.

AKC NATIONAL OWNER-HANDLED SERIES

The AKC National Owner-Handled Series is a non-titling competition for dogs that are exhibited by their owners that are not professional handlers.

Exhibitors must declare their dog is Owner-Handled eligible at the time of entry on the entry form. Dogs entered in the Amateur-Owner-Handler class will automatically be marked as eligible to compete in the NOHS. Eligible dogs will be identified by an asterisk in the judge's book, steward's book & the catalog. Professional handlers,* household members and current assistants to professional handlers** may not exhibit. Dogs must be handled by an eligible owner/handler for the AKC NOHS throughout the breed level (all classes, Winners, and Best of Breed) competition. Additionally, dogs must be handled by an eligible owner/handler for all AKC National Owner-Handled Series competition (Group and Best in Show). Any person may exhibit the dog in the regular Group and Best in Show competitions.

Owner-Handled Best of Breed will be selected from the dogs that are eligible to compete in the Best of Breed competition including Winners Dog, Winners Bitch and winners of the non-regular classes.

The breed will not be represented in the Owner-Handled Group if there is no eligible dog competing in the Best of Breed or in Best of Winners competition.

**Professional handlers are defined as any person who belongs or has belonged to a professional handlers' organization, distributed rate cards, or otherwise advertised or represented themselves as handling dogs for pay within the last five years*

***A current assistant is defined as anyone employed by a professional handler on a full-time basis, or assisting a professional handler at the show or any time during the cluster/weekend. Current assistants that are eligible to compete in Junior Showmanship (meet age & amateur status requirements) may participate in NOHS. (05/20)*
