Show Safety: Responsibility of Exhibitors

**"THE DOG SHOW SHALL BE SUBJECT TO ALL CORONAVIRUS (COVID-19)
PRECAUTIONS SET FORTH BY THE CITY & COUNTY OF HONOLULU"**

Exhibitors are charged with absolute responsibility for the control of their dogs throughout the period the dogs are on the show grounds, including rings, grooming areas and common areas. No delegation of such duty of control given to another shall relieve the Exhibitor of the ultimate responsibility to control his or her dog's behavior. As used herein, "control" shall require of an Exhibitor the taking of such affirmative action and effort as may be necessary to preclude the dog from demonstrating against or evidencing aggressive behavior toward or attacking or biting or threatening to attack or bite, any other Exhibitor, dog, member of the public or Show Official. Exhibitors are particularly cautioned to appreciate that patrons of dog shows, particularly children, whether in the company of an adult or otherwise, are frequently unaware that an innocent touching may erroneously be perceived by the dog as a threat leading to defensive conduct and a loss of control by the Exhibitor. The effort required of an Exhibitor to retain control shall therefore include the need for the giving of preventive warning to all who may approach the dog in a manner that is likely to incite unwanted behavior. The giving of such warning, however, shall not be deemed to release or relieve the Exhibitor from all further duty to keep his or her dog under control at all times. In furtherance of the foregoing and without limitation upon the ultimate responsibility of the Exhibitor for control, dogs shall be kept on leash or crated throughout the Shows. Exhibitors shall promptly and affirmatively respond to all instructions or orders regarding show safety directed or called to the attention of the Exhibitor by a Show Official. No debate or argument with such Show Official shall be permitted. Though it is the intent of these rules to avoid any untoward incident from occurring, the inadequacy of any rule or regulation to accomplish such purpose shall not serve to release or relieve the Exhibitor from the responsibility of control over his or her dog. Exhibitors are charged with full awareness and knowledge of the behavior of their respective dogs and are expected to respond accordingly.

Resolution of Disputes

In the event of a dispute over the meaning or interpretation of any of these rules and regulations or compliance therewith, application shall promptly be made to the Show Chair or to a member of the Event Committee for a hearing of the dispute by the Committee, whose decision shall be final, subject only to appeal to the American Kennel Club in the manner and pursuant to the procedure for appeals allowed by such Club.

Clubs reserve the right to decline future entries from the offending party in accordance with the provisions of Ch. 11, Sec. 15 of the Rules Applying to Dog Shows.
- Dogs need be present only for scheduled judging and will be released if not needed for further judging. Dogs must be ready for judging. Neither the club nor its Superintendent will be responsible or obligated to furnish any service for notifying exhibitors or their agents of Breed or Class Judging. Judges need not wait for any dog holding up a class. Owners or agents alone are responsible for the presence of their dogs in the rings.
- Only dogs eligible for these shows will be admitted into show area. There is no provision for unentered dogs.
- LOSS OR DAMAGE – The Show Committee will use due care and diligence for the welfare of dogs and exhibitors, but will not be responsible for, or assume any liability in the event of any accident or misfortune, to either dogs or exhibitors participating in these Shows. The welfare of an Exhibitor's child is assumed to be the responsibility of the Exhibitor. It is distinctly understood that Exhibitors will exercise control and restraint over their children.
- Exhibitors should follow their veterinarian's recommendation to assure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations. Additionally, clubs should include any specific local health requirements; for example proof of rabies vaccination.

JUNIOR SHOWMANSHIP COMPETITION

NOVICE CLASS: For boys and girls who are at least 9 years old and under 18 years old on the day of the show and who at the time entries close have not won three (3) first place awards, with competition present, in a Novice Class. A first place in Novice without competition leading to a Best Junior award with competition would count as one win towards moving to Open at a licensed or member show.

OPEN CLASS: For boys and girls who are at least 9 years old and under 18 years old on the day of the show, and who have won three first place awards in a Novice Class or if a win in Novice leads to a Best Junior with competition present it will count as one win towards moving to Open in a licensed or member show. Juniors which according to their records have completed the requirements to compete in the Open class but whose status is unconfirmed by the American Kennel Club are limited to competing in the Open Class for a period of 90 days from the date of the show where the Junior completed the requirements according to their records.

MASTER CLASS: This class will be for boys and girls who are at least 9 years old and under 18 years on the day of the show, and who have 10 Best Junior wins with competition. The calendar for this class will be consistent with the eligibility dates for the AKC National Championship. All Juniors meeting the criteria for this class are required to enter the Master Class and may change their entry the day of the show if entries have already closed. Once the eligibility time frame for that year has passed all participants return to the Open Class to compete for the following year.

Novice AND OPEN CLASS DIVIDED: Junior-9 years old and under 12 years old on the day of the show; Intermediate-12 years old and under 15 years old on the day of the show; Senior-15 years old and under 18 years old on the day of the show.

RESERVE JUNIOR HANDLER: After the judge has awarded the Best Junior Handler, the second place winner from the class that the Junior was awarded Best Junior Handler is to return to the ring to compete for Reserve Best Junior Handler.

NOTICE: Junior Handlers must include their AKC JUNIOR HANDLER NUMBER on each entry. You may obtain your junior identification number by calling the AKC, Judges Education Department, 919-233-9767. BE SURE ALL INFORMATION for Junior Showmanship Classes is entered on front and back of entry form.

NOTE: SUBSTITUTION OF DOG IN JUNIOR SHOWMANSHIP AT THE SHOW(S): *There will be an Administration Fee of \$5.00 charged for any substitution of dog in Junior Showmanship at each show. In addition, if the dog originally entered in Jr. Showmanship was an additional entry, and the dog being substituted is not otherwise entered in the show, the Junior Showmanship Only fee applies.*

The AKC is committed to creating a safe and respectful sport environment for all. If you need to talk to someone, or need help, please call 800-656-HOPE (National Sexual Assault Hotline) or text HOME to 741-741 for free, 24/7, confidential services from trained crisis counselors.

AMERICAN
KENNEL CLUB®

AKC® Code of Sportsmanship and Civility

Preface: The tradition of competitive purebred dog events predates 1884—the year the American Kennel Club (AKC®) was founded. Those involved in these sports share core values, including a strong commitment to sportsmanship and a welcoming, respectful culture that embraces the diverse community united by a love of dogs.

These values are evident across all aspects of the sport: conformation, performance, companion, and family dog activities. Many believe that the enduring principles of sportsmanship and civility are key reasons the sport has thrived for over 140 years.

Recognizing that periodically reaffirming our shared values strengthens our community, the revised code will be shared widely to highlight the foundational values and principles that define the sport.

- Sportspeople always place the welfare of their dog above all else.
- Sportspeople prioritize the long-term health and preservation of their breed, making decisions that reflect a deep commitment to responsible breeding and ownership.
- Sportspeople respect the history, traditions and integrity of the sport of purebred dogs.
- Sportspeople conduct themselves in a manner that reflects positively on the sport, the American Kennel Club, and themselves.
- Sportspeople appreciate, encourage and support all who associate with and participate in the sports by fostering an environment where respect, equity, inclusion, and courtesy are foundational.
- Sportspeople understand, uphold and abide by all AKC bylaws, rules, regulations and policies.
- Sportspeople contribute to a positive atmosphere at events by avoiding negative gossip, disparagement, or unsportsmanlike behavior.
- Sportspeople extend their values of civility, fairness, and respect to all digital and social media platforms.
- Sportspeople actively support the education and mentorship of newcomers, helping them learn the rules, values, and traditions of the sport in a respectful way.
- Sportspeople recognize that they are role models in the sport, and strive to lead by example through humility, kindness, and ethical conduct.
- Sportspeople treat fellow exhibitors, judges, officials, volunteers, spectators, and AKC staff with dignity and respect, regardless of experience, background, or differences in opinion.
- Sportspeople are committed to fair play, honesty, courtesy, and competition, approaching both winning and losing with grace.
- Sportspeople understand that strong competition and civility can—and should—coexist. They appreciate the quality of their competitors, and the effort put forth by others.
- Sportspeople uphold their responsibilities to the sport of purebred dogs and refuse to let personal gain or self-interest influence their decisions or behavior.
- The sportsperson judges only on the merits of the dogs and considers no other factors.
- The sportsperson judge or exhibitor accepts constructive criticism.
- The sportsperson exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsperson exhibitor refuses to compromise the impartiality of a judge.
- Sportspeople are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportspeople decline to exploit any positions of authority or recognition for personal advantage.
- Sportspeople appreciate those that have gone before them and realize they are responsible for maintaining and enhancing the sport for future generations.

ATTENTION OWNERS/EXHIBITORS OF FOREIGN REGISTERED DOGS

If you are the owner/exhibitor of a dog registered with a foreign registry (not yet dual registered with AKC) please visit <https://www.cdc.gov/importation/dogs/index.html> for the most recent updates regarding bringing a dog into the U.S.

Most important to note are the following:

1. Dogs must be individually registered with the American Kennel Club by the day of the event to be eligible for exhibit in the Bred by Exhibitor class.
2. Dogs are eligible to compete in AKC events using the foreign registration for a period of 30 days. That 30-day period begins with the date of first exhibit, regardless of whether the dog earned any points or awards. To continue to compete in AKC events beyond the initial 30-day period the dog must be either individually AKC registered or by the date of the event have been granted an extension to exhibit using the foreign registration. The owner or agent can request an extension using the form found on the AKC Web site at <http://images.akc.org/pdf/extenap.pdf>

If you have questions or need assistance with registration or obtaining an extension, please contact the AKC Special Services Department at: awards@akc.org or 919-233-9767 (followed by selecting option 4).
